

Amendment  
of Act No. 9  
of 2006.

1. The Telecommunications Act, 2006 is amended by the repeal and replacement of section 33 by the following section:—

International  
gateways to be  
supervised by  
Commission.

33. (1) The supervision of the international gateways shall be done by the Commission or an agent appointed by the Commission in that behalf.
- (2) The Commission shall appoint an agent for the monitoring of the international gateways.

#### MEMORANDUM OF OBJECTS AND REASONS

The object of this Act is to liberalise the operation of the International Gateway which was hitherto monopolised by the Sierra Leone Telecommunications Company.
