

WARD

DESCRIPTION

North along the same Babadori River for a short while. It then follows West again onto the Lumley Creek where it join the coast line. It follows the coastline North onto Lumley Beach at the back of the Golf Course where it originally started.

WARD 394
(Freetown City
Council)

This ward is made up of Juba and Kaningo and Malama Kamayama Sections; it has a projected population of 20,989 people.

Its boundary begins from Dry Valley (drainage) or Stream that runs from the Guma Valley pipes serving as boundary between Hill Station and Malama. It follows these pipes East right up to the hills (Peninsular) serving as boundary between Mountain Rural District and Western Area Urban. It then deviates from the pipes and run through the hills South to meet the boundary between York Rural District and West III by the Bridge. The boundary then follows this Bridge West onto the Mangrove Swamp which is the boundary of Gbendembu and Juba. It follows the Swamp and Mangrove on to the coastline. It runs along the coastline North onto the Lumley Creek before joining the Babadorie River and moves with it East crossing the Levuma Bridge before reaching the entrance of the Dry Valley (drainage) or Stream. It moves Northeast along this drainage on to the Guma Valley Water pipes lines where it started.

It then follows this boundary to the International boundary (Guinea). It runs along this boundary Northwest onto the starting point.</p>

WARD

Ward 11
(Kailahun District
Council)

DESCRIPTION

This ward is made up of Lela Section in the Kissi Teng Chiefdom. It has a projected population of 12,505 people.

The boundary of this ward runs along the Kissi Kama and Kissi Teng Chiefdom boundaries and then joins the Luawa and Kissi Teng Chiefdom boundaries, from where it joins the Lela and Bumasadu Section boundaries. It follows this boundary onto the Chiefdom boundary with Kissi Tongi before deviating from it to run by the Section boundary between Konio and Lela and then finally joins and moves along the Torli Section boundary with Lela and ends on the Kissi Kama and Kissi Teng Chiefdom boundaries where it originally started.

Ward 12
(Kailahun District
Council)

This ward is made up of Bumasadu Section in the Kissi Teng Chiefdom. This ward has a projected population of 7,213 people.

The ward boundary begins at the intersection of Lela Bumasadu Section boundary on the Luawa and Kissi Teng Chiefdom boundaries. It runs along the Lela and Bumasadu Section boundaries in a Northeasterly direction to join the Kissi Tongi and Kissi Teng Chiefdom boundaries. It follows this boundary Southwest onto the Luawa and Kissi Teng Chiefdom boundaries. Then the boundary finally joins Luawa Chiefdom boundary with Kissi Teng and moves with it Northwest onto the starting point.

Ward 13
(Kailahun District
Council)

This ward consists of the whole of Konio Section in the Kissi Tongi Chiefdom. It has a projected population of 13,851 people.

The boundary of this ward begins at the intersection of Pokorli and Konio Section boundaries with Tongi Tingi Section boundary. The boundary then follows the Konio and Pokorli Section boundaries onto the Bende Bengu Section boundary onto the Liberia border; it then deviates from it to run along the Lela and Konio Section boundaries then joins the Bumasadu and Konio Section boundary and follows it Southwest on to the Luawa and Kissi Tongi Chiefdom boundaries. It follows this boundary East to connect the Tongi Tingi Section boundary with Konio and terminates at the intersection of the Pokorli and Konio Section boundaries.

WARD

Ward 14
(Kailahun District
Council)

DESCRIPTION

This ward is made up of the whole Pokorli and Bende Bengu Sections in the Kissi Tongi Chiefdom. This ward has a projected population of 8,423 people.

The ward boundary runs along the Bende Bengu and Konio Section boundaries. It stretches along the Konio-Pokorli Section boundary and then connects the Tongi Tingi Section boundary with Pokorli and eventually joins and runs along the Liberia and Sierra Leone border in a northerly direction and terminates at the Konio, Bende Bengu Sections boundary.

Ward 15
(Kailahun District
Council)

This ward is made up of the whole of the Tongi Tingi Sections in the Kissi Tongi Chiefdom and has a projected population of 13,859 people.

This ward is bounded on the North by the Section boundary between Konio and Tongi Tingi and the Pokorli and Tongi Tingi. In the East and South of the Sierra Leone and Liberia border and in the West by the Luawa and Kissi Tongi Chiefdom boundary.

Ward 16
(Kailahun District
Council)

This ward consists of the entire Mandu Chiefdom with a projected population of 21,285 people.

Its boundary starts at the intersection of Kpeje Bongre, Upper Bambara and Mandu Chiefdom boundaries. It follows the Upper Bambara and Mandu Chiefdom boundaries Southeast and joins the Dea Chiefdom boundary with Mandu; it follows this boundary and moves West along the Malema and Mandu Chiefdom boundary. From here it joins and moves North along the Jawie Chiefdom boundary with Mandu and finally links up and moves Northwest along the Kpeje Bongre and Mandu Chiefdom boundaries and ends at its intersection with the Mandu and Upper Bambara boundaries where it started.

Ward 17
(Kailahun District
Council)

This ward is made up of the whole of Dea Chiefdom and has a projected population of 10,666 people.

The boundary of the ward begins where the Upper Bambara and Dea Chiefdom meet and where Mandu and Dea Chiefdom boundaries meet. The boundary then follows the Mandu and Dea Chiefdom boundaries Southeast and joins Malema and Dea Chiefdom boundaries. It moves East along the Malema and Dea Chiefdom boundaries and connects

WARD

DESCRIPTION

to the International border between Liberia and Sierra Leone. It follows the Liberia and Sierra Leone border North on to where the Upper Bambara and Dea Chiefdom boundary meets the Liberia and Sierra Leone boundary. The boundary deviates from the International (Liberia and Sierra Leone) boundary to follow the Upper Bambara and Dea Chiefdom to the starting point.

Ward 18
(Kailahun District
Council)

This ward comprises Upper Sami and Njagbla Sections in the Malema Chiefdom. It has a projected population of 11,574 people.

The boundaries of this ward run along the Upper Sami and Lower Kuiva Section boundaries, then join the Upper Kuiva and Njagbla Section boundaries and connect to the Dea Chiefdom boundary with Malema. It runs along this Chiefdom boundary and joins the Bambara and Njagbla Section boundaries. From here it continues along the Section boundaries between Bambara and Upper Sami and Pelegbambeima and Upper Sami, Lower Sami and Upper Sami and finally joins the Jawie and Malema boundaries and ends at the intersection with Lower Kuiva and Upper Sami Section boundaries.

Ward 19
(Kailahun District
Council)

This ward comprises Lower Sami, Pelegbambeima and Bamburu Sections in the Malema Chiefdom. It has a projected population of 13,587 people.

The ward boundary begins at the intersection of the Upper and Lower Sami Section boundaries on the Jawie and Malema Chiefdom boundaries. It follows the Jawie and Malema boundary Southwest to turn and follow the Kenema and Kailahun District boundary Southeast onto the Liberia and Sierra Leone boundary. It runs North along the Liberia boundary onto the intersection with Dea Chiefdom boundary. It follows the Dea Chiefdom boundary West to join the Njagbla and Bamburu Section boundary and then Upper Sami and Pelegbambeima and Lower Sami Section boundaries and terminates on the Jawie Malema Chiefdom boundary.

WARD

DESCRIPTION

Ward 20
(Kailahun District
Council)

This ward is made up of the entire Sowa Section in Jawie Chiefdom. It has a projected population of 21,338 people.

This ward is bounded by the Section boundaries of Sowa and Konio, Sowa and Mano and then the Mandu and Jawie Chiefdom boundaries and then finally the Jawie Kpeje Bongre and Njaluahun Chiefdom boundaries.

Ward 21
(Kailahun District
Council)

This ward consists of Bobor, Mano and Kaio Sections in the Jawie Chiefdom. It has a projected population of 11,785 people.

The boundary of this ward begins at the intersection of the Section boundaries between Sowa and Kaio Section on the Njaluahun and Jawie Chiefdom, it follows the Jawie and Njaluahun boundary on to its intersection with the Section boundary between Bobor and Upper Luyengeh. This Section boundary joins Mano and Upper and Lower Giebu Section East on to the Chiefdom boundary between Jawie and Malema; it follows this boundary to join the Chiefdom boundary between Jawie and Mandu on its intersection with Sowa Section boundary with Mono. It follows this boundary and joins Sowa boundary with Kaio Section and finally ends on the Njaluahun and Jawie Chiefdom boundary.

Ward 22
(Kailahun District
Council)

This ward comprises Lower Luyengeh, Upper Luyengeh, Lower Giebu and Upper Giebu Sections in the Jawie Chiefdom. It has a projected population of 12,923 people.

This ward is bounded on the North by the Section boundaries between Bobor, Upper Luyengeh, Mano and Lower Giebu. In the East it is bounded by the Malema and Jawie Chiefdom boundaries, in the South and West by the Kenema and Kailahun District boundary.

Ward 23
(Kailahun District
Council)

This ward is made up of Gboo, Sei II, Falley, Jonga, Dan Sei and Bonbowa Sections in the Njaluahun Chiefdom. It has a projected population of 14,398 people.

The ward boundary starts at Kpeje West in the Njaluahun Chiefdom boundary on to the Malegohun Chiefdom (Kenema) boundary. It follows the Kailahun and Kenema District boundary Southwest until it intersects with Sei I and Sei II Section boundaries, it follows the Section boundary and

WARD	DESCRIPTION
	connects the Section boundary between Gboo, Sei I, Dan Sei and Keimaya and finally Jonga and Upper Nyawa Section before joining the Kpeje Bongre Chiefdom boundary. It follows the Kpeje Bongre boundary with Njaluahun and connects the Kpeje boundary to ends at the Malema Chiefdom boundary.
Ward 24 (Kailahun District Council)	<i>This ward consists of three Sections in the Njaluahun Chiefdom namely Fauya, Lower Nyawa and Sei I. It has a projected population of 14,536 people.</i> This ward is bounded by the Nongowa Chiefdom (Kenema District) boundary from the Northwest to Southwest and then in the South by the Dama Chiefdom boundary (Kenema District) and Jawie Chiefdom boundaries. In the Southeast by the Kargbu Section boundary with Fauya and Lower Nyawa Section. In the East by the Keimaya Section boundary with Sei I. In the Northeast it is bound by the Gboo Section boundary with Sei I and finally in the North by Sei II Section boundary with Sei I.
Ward 25 (Kailahun District Council)	<i>This ward is made up of three Sections in the Njaluahun Chiefdom: Kargbu, Keimaya and Upper Nyawa Sections. The ward has a projected population of 10,541 people.</i> The Jawie and Njaluahun Chiefdom boundaries bound the ward on the East and South. In the West by the Section boundaries between Fauya and Kargbu, Lower Nyawa and Kargbu Sei I and Kargbu, and Sei I and Keimaya. Finally in the North by the Section boundaries between Gboo and Keimaya, Dan Sei and Upper Nyawa and then Jonga and Upper Nyawa.
Ward 26 (Kailahun District Council)	<i>This ward is made up of the whole of Yawei Chiefdom and has a projected population of 17,425 people.</i> The ward is bounded on the North by the Gbane Chiefdom boundary (Kono District). From here it runs South along the boundary between Yawei and Malegohun Chiefdoms (Kenema District boundary). The boundary then deviates from the Malegohun boundary to join and move East along the Kpeje West boundary and then turns North and moves along the Penguia and Yawei Chiefdom boundaries and ends at the Gbane Chiefdom boundary.

WARD	DESCRIPTION
Ward 27 (Kailahun District Council)	<i>This ward comprises the whole of the Penguia Chiefdom. It has a projected population of 13,518 people.</i> This ward is bounded on the North and Northwest by the Kono District boundary with Kailahun District. In the West and Southwest by the Yawei and Penguia Chiefdom boundary. In the South by the Kpeje West and Kpeje Bongre Chiefdom boundaries. In the Southeast it is bound by Luawa Chiefdom boundary and finally in the East and Northeast by the international boundary (Guinea boundary).
Ward 28 (Kailahun District Council)	<i>This ward comprises of the entire Kpeje West Chiefdom. It has a projected population of 14,050 people.</i> The ward boundary begins where the Yawei and Kpeje West Chiefdom boundaries meet the Malegohun Chiefdom boundary (Kenema District boundary with Kailahun). It runs South along the Malegohun and Kpeje West boundary and turns East along the Kpeje West and Njaluahun Chiefdom boundary and then joins and moves along the Kpeje Bongre and Kpeje West boundary East and then turns North along the same Kpeje Bongre and Kpeje West Chiefdom boundary onto the Penguia Chiefdom boundary. It then moves West along the Penguia boundary and joins the Yawei boundary and moves along it onto the Malegohun (Kenema District) boundary where it started.
Ward 29 (Kailahun District Council)	<i>This ward consists of the entire Kpeje Bongre Chiefdom. It has a projected population of 13,716 people.</i> This ward is bound in the North by Penguia and Kpeje Bongre Chiefdom boundary. Kpeje West and Kpeje Bongre Chiefdom boundary from the Northwest and Western boundary. Its Southwest and Southern boundary is the Njaluahun, Kpeje and Mandu and Kpeje Bongre Chiefdom boundaries and Southeast and Eastern boundary is the Upper Bambara and Luawa Chiefdom boundaries with Kpeje Bongre.

THE WARD BOUNDARIES (DELIMITATION) ORDER

*(ELECTORAL LAWS ACT, 2002)
(Act No. 2 of 2002)*

Short title. **THE WARD BOUNDARIES (DELIMITATION) ORDER'**
(ELECTORAL LAWS ACT, 2002)

IN EXERCISE of the Powers conferred upon it by Section 2 of the Electoral Laws Act, 2002 Act No. 2 of 2002) the Electoral Commission hereby makes the following order:-

FOR the purpose of electing the Councillors to the Kenema City Council, in the Kenema City shall be divided into three multi-member wards as in the schedule.

SCHEDULE

KENEMA CITY COUNCIL: DESCRIPTION OF LOCAL COUNCIL WARDS

WARD	DESCRIPTION
Ward 30 (Kenema City Council)	<i>This ward is made up of RTI, Gombu, Kondebotihun, Burma, Airfield, Lumbebu, Lekpetieh, Technical and Gbongbotoh, Kpayama and part of Reservation Sections, all in Kenema City. It has a projected population of 46,254 people (4 Seats).</i> The boundary of this ward begins at the junction of Combema Road on Old Railway Line. It follows Old Railway Line Northeast onto the edge of the Police Barracks. It moves by the edge of the Police Barracks West onto Duawoh Street. It then moves along Duawoh Street Northeast onto Kanneh Street. From here it moves and joins Air Field Road. It continues along Air Field Road onto Hingha Norman

WARD

DESCRIPTION

Street. It continues along Hingha Norman Street onto Lucia Street, moves by Lucia Street and then crosses Hangha Road. After crossing Hangha Road, it continues along the boundary between Lekpetieh and Reservation at the back of Banya Lane in a Northwest direction. It continues in this same direction passing between the Provincial Secretary's Residence and the Diamond Engineers Quarters before connecting to the bushes at the edge of the city and heading North. It continues North by the bushes at the edge of the City passing at the back of Lekpetieh, Kondebotihun, Gombu and finally RTI before turning sharply South, but still running by the bushes at the edge of the City at the back of the Air Field, all of Burma Sections, Lumbebu, Technical and Gbongbotoh and Kpayama Sections. It then moves Northwest along the Kpayei Stream and then joins Kamanda Street. It moves North along Kamanda Street onto Minkailu Street and then from Minkailu Street to Combema Road. It then joins and moves along Combema Road onto its intersection of Old Railway Line where it started.

**Ward 31
(Kenema City Council)**

This ward consists of Lambayama, Fonikoh, Nyandeyama, Ndigbuama and parts of Shimbeck and Reservation Sections in the Kenema City. It has a projected population of 45,124 people. (4 Seats)

The ward boundary begins at the intersection of Coker Jah Street and Dama Road. It runs along Dama Road Southeast onto Bockarie Gbay Street. It follows Bockarie Gbay Street Southwest onto Faux Lane. It then deviates from Bockarie Gbay Street and follows Faux Lane West onto Blama Road where it bends Southwest along Blama Road until it reaches Dauda Sandi Street junction. It bends Southeast along Dauda Sandi Street onto the Bridge on Kuyateh Street before joining the Kakajei Stream. It follows the Kakajei Stream South and then Southeast following the course of the same Stream (Kakajei), onto the edge of the City and then turns sharply West by the bushes at the edge of Town. It continues West by the edge of the City by Dauda Town layout, and turns North by the swamp and crosses the Wahman Abu Road and moves straight North by the end of the City (back of Fonikoh, Nyandeyama and Reservation), from where it turns East still moving by the edge of the City and bends Southwest again passing between

DESCRIPTION

the Provincial Secretary's Residence and the Diamond Engineers Quarters. It then moves Southeast along the boundary between Lekpetieh and Reservation slightly back of Banya Lane and crosses Hangha Road and moves slightly onto Lucia Street junction. It then follows Lucia Street South onto Hingha Norman Street junction. It then takes Hingha Norman Street onto Airfield Road. Moves along Airfield Road in the direction of Memuna Street onto Kanneh Street junction. It then joins Kanneh Street onto Duawoh Street. It follows Duawoh Street Southwest onto the edge of the Police Barracks. It moves by the edge of the Police Barracks East onto Old Railway Line. It then moves Southwest with Old Railway Line and joins Coker Jah Street. It moves along Coker Jah Street onto the intersection of Dama Road where it started.

Ward 32
(Kenema City Council)

This ward comprises Njaguema, Kissy Town and part of Shimbeck Sections in the Kenema City. It has a projected population of 45,744 people. (4 Seats).

The boundary starts at the intersection of Dama Road and Coker Jah Street. It follows Coker Jah Street Northeast onto Combema Road. It follows Combema Road East onto Min-kailu Street junction, where it deviates from Combema Road and bends South moving along Minkailu Street. From Minkailu Street it joins and moves Southeast with Kamanda Street. From Kamanda Street, it continues along the Kpayei Stream in the swamp at the edge of the City. From the Stream it bends South and moves along the edge of the City onto Kakajei Stream. It then turns and follows the Stream Northwest and then North, crosses Dama Road following the Kakajei Stream, then bends North along the Kakajei Stream until it crosses the Wahman Abu highway; then crosses the Bridge on Kuyateh Street and joins Dauda Sandi Street

WARD

DESCRIPTION

onto Blama Road. It continues along Blama Road Northeast onto Faux Lane junction. It deviates from Blama Road and follows Faux Lane East onto Bockarie Gbay Street. It follows Bockarie Gbay Street Northeast onto Dama Road. It then follows Dama Road Northwest onto Coker Jah Street where it started.

SCHEDULE

KENEMA DISTRICT COUNCIL: DESCRIPTION OF LOCAL COUNCIL WARDS

Ward
WARD 33
(Kenema District Council)

DESCRIPTION
This ward comprises Konapink-dibu Section only in the Nongowa Chiefdom. It has a projected population of 12,499 people.
This ward is bounded on the North by Lower Bambara Chiefdom (Korjei Ngieya and parts of Korjei Buima Sections); in the East and Northeast

WARD

DESCRIPTION

by Dakpana Section, in the Southeast, it is bound by Dagbanya Section; in the South, by Kagbado Kambuima Section and finally in the West by Kandu Leppiama and Dodo Chiefdoms.

Ward 34
(Kenema
District Council)

This ward consists of three Sections in the Nongowa Chiefdom: Gbo Lambayama "B" Kagbado Kambuima and Gbo Kak-ajama "B" with the exception of Kenema City itself. It has a projected population of 11,841 people.

The boundary of this ward begins at the point where the Kona Kpindibu and Kagbado Kambuima Section boundaries touch the Nongowa and Kandu Leppiama Chiefdom boundaries. It then runs along these Section boundaries of Kona Kpindibu and Kagbado Kambuima in an easterly direction and then bends South to join and flow along the Kagbado Kambuima and Dagbanya Section boundary onto the Gbo Kakajama 'B' Section boundary, with Dagbanya Section and connects the Nongowa and Dama Chiefdom boundary. It follows the Nongowa Chiefdom boundary with Dama, Koya, Small Bo and Kandu Leppiama Chiefdoms, and then ends at the starting point.

Ward 35
(Kenema
District Council)

This ward is made up of Kona Foiya and Dakpana Sections in the Nongowa Chiefdom, and has a projected population of 15,959 people.

This ward is bounded on the North by Lower Bambara Chiefdom (Korjei Buima and Gboro Sections); in the East and Southeast by Njaluahun Chiefdom (Kailahun District boundary); in the South, by Dagbanya Section and finally in the West by Kona Kpindibu Section.

Ward 36
(Kenema
District Council)

This ward is made up of Dagbanya and Kagbado Njeigbla Sections, with a projected population of 11,122 people.

The boundary of this ward runs along the Kagbado-Kambuima and Dagbanya Section boundaries, then joins the Gbo Kakajama 'B' Section boundary with Dagbanya Section; then connects and follows the Dama and Nongowa Chiefdom boundary and bends North to follow the Kailahun District boundary to its intersection with Kona Foiya and Dagbanya Section boundaries. It follows this boundary Northeast onto the Dakpana Section boundary with Dagbanya Section and finally connects the Kona Kpindibu Section boundary with Dagbanya Section and follows this boundary to the starting point.

WARD

DESCRIPTION

Ward 37
(Kenema
District Council)

This ward comprises the whole of Malegohun Chiefdom and has a projected population of 13,202 people.

The ward boundary begins from the intersection of Malegohun, Yawei (Kailahun District) and Gbane Chiefdom (Kono District) boundaries. It follows the Yawei, Kpeje West and Njaluahun Chiefdom boundaries (Kailahun District), then turns West to join Lower Bambara Chiefdom boundary with Malegohun via the Nongowa Chiefdom boundary. It follows the Lower Bambara Chiefdom-Malegohun Boundary North onto the Kono and Kenema District boundary (Gbane Chiefdom boundary). It runs along the Gbane boundary East to the starting point.

Ward 38
(Kenema
District Council)

This ward is made up of Fallay and Sei Sections bin the Lower Bambara Chiefdom, with a projected population of 17,762 people.

The ward boundary begins on the intersection of Bonya and Sei Section boundary on the Malegohun and Lower Bambara Chiefdom boundaries. It then follows the Bonya and Sei Section boundary Southwest to meet and continue along Sei and Nyawa Section boundary South. From here, it joins and follows the Fallay and Nyawa Section. It then joins the Fallay and Bonya Section boundary, from where it continues South to join the Korjei-Ngieya and Fallay Section boundary. It moves along this boundary East to connect and follows the Fallay and Gboro Section boundary onto the Malegohun and Lower Bambara Chiefdom boundaries. It runs along this Chiefdom boundaries in a northerly direction to the starting point.

Ward 39
(Kenema
District Council)

This ward consists of Korjei Ngieya, Korjei Buima and Gboro Sections in the Lower Bambara Chiefdom and has a projected population of 14,597 people.

The boundary of this ward starts on Bonya and Korjei Ngieya Section boundary on the Lower Bambara and Dodo Chiefdom boundary. It follows the Bonya and Korjei Ngieya Section boundary and joins to follow Fallay Section boundary with Korjei Buima and Gboro Sections onto Malegohun and Lower Bambara Chiefdom boundary. It follows the Malegohun Chiefdom boundary with Lower Bambara to join the Nongowa Chiefdom boundary with Lower Bambara. It then runs along the Nongowa Chiefdom boundary West on the Dodo and Lower Bambara Chiefdom boundary. It follows this boundary North to the starting point.

WARD

Ward 40
(Kenema
District Council)

DESCRIPTION

This ward consists of the whole of Bonya Section in the Lower Bambara Chiefdom and has a projected population of 17,827 people.

The ward boundary starts from the intersection of Lower Bambara and Dodo Chiefdom boundary with Kono District boundary (Gorama Kono boundary). It runs South along the Dodo and Lower Bambara boundary onto its intersection with Korjei Ngieya Section boundary. It follows this boundary East and joins the Fallay Section boundary with Bonya. It follows this boundary North to join the Nyawa and Bonya Section boundary. It continues along this boundary Northeast onto the Woa River and moves along it South to meet the Sei and Bonya Section boundary. It moves along this boundary Northeast to meet the Malegohun and Lower Bambara Chiefdom boundary. It then takes this boundary onto the Gorama Kono and Lower Bambara Chiefdom boundary. It flows along this Gorama Kono boundary (Kono District boundary) West onto the starting point.

Ward 41
(Kenema
District Council)

The ward is made up of parts of Nyawa Section in the Lower Bambara Chiefdom consisting of the following localities/towns: Kpandebu, Tok okponbu II, Bumpeh, Old Lalehun, and Kebie-New Lalehun Yiema. It has a projected population of about 12,347 people.

The boundaries of this ward start on the Bonya-Nyawa Section boundary some where between Koigoryeima (Nyawa) and Mandahun (Bonya). It runs along this Section boundary South and connects the Nyawa-Fallay Section boundary. It continues along this Nyawa-Fallay boundary further South and then turns Northeast following this same Fallay- Naya boundary. It then deviates from this boundary to move West via the low lands between Samewabu and Kabie-Yiema. From here it joins the Kangaye stream West of Pahima village and heads North passing between Kpandebu and Sandeyeima to join the swamps Southwest of Koigoryeima and ends at the starting point on the Bonya-Nyawa Section boundary.

WARD

Ward 42
(Kenema
District Council)

DESCRIPTION

This ward consists of Tongola, Tokpombu I and Palima in the southern half of Nyawa section in the Lower Bambara Chiefdom. It has a projected population of 10,763 people.

The boundary of this ward starts on the bridge over the Tongoye stream; it runs North along the edge of the Tongola village/town. It then bends West crossing the road to Bomie and then turns South moving between Tokpombu I and II and then joins the Tongoye stream Southwest of Palima and runs along this stream East between Semewabu and Tongola and ends at the bridge where it originally started.

Ward 43
(Kenema
District Council)

This ward is made up of part of Nyawa Section (the northern half) in the Lower Bambara Chiefdom. It consists of the following localities (Towns and villages): Kakigbouma, Kortorhun, Vandema I, Vandema II, Kpoiya, Korbouma, Njagbahun, Nyangahun, Koigoryeima, Giema I, Landoma, Taninahun, Bomie, Giema III, Ngeliama, Sembiema, Giema II, Semewabu, Mavehun, and Sandeyeima. It has a projected population of 10,210 people.

This ward is basically the northern half of Nyawa Section. It is bounded entirely on the North, Northwest, West and Northeast by Bonya Section. In the East and Southeast, it is bounded by Sei Section. Its southern boundary runs from the Bonya and Nyawa Section boundaries close to Mandahun (Bonya Section), and passes by the Lando Stream just South of Koigoryeima and passes between Tokpombu and Sandeyeima. It then joins the Giema Road to turn South by the Bridge near Tongola and then flows along the tributary of the Kangaye Stream passing between Tongola and Semewabu. It then moves East between Kebie-Yiema and Semewabu to meet and join the Fallay Section boundary. It moves North along this boundary to meet the Sei boundary where it ends.

Ward 44
(Kenema
District Council)

This ward comprises Biatong and Famanjo Sections in the Gorama Mende Chiefdom. It has a projected population of 19,835 people.

The boundary of this ward begins at the intersection of Kualley and Biatong Section boundary on the Kenema and Tonkolili District boundary. The boundary then runs along this Section boundary South and then curves East along the same Biatong and Kualley Section boundary in

WARD

DESCRIPTION

the same easterly direction, and then joins the Famarjo and Kaklawa Section boundary and follows it Southeast to the Wandor and Gorama Mende boundary. It runs along this boundary East to meet and run along the Kenema and Kono District boundary North, and then bends West along the same Kono and Kenema District boundary, and then joins and flows along the Kenema and Tonkolili District boundary to its starting point.

Ward 45
(Kenema
District Council)

This ward is made up of Kualley and Kaklawa Sections in the Gorama Mende Chiefdom. It has a projected population of 15,306 people.

The ward boundary follows the Kono and Kenema District boundary in the North, then the Tonkolili and Kenema District boundary in the North, the Tonkolili and Kenema District boundary in the Northwest; the Bo and Kenema District boundary in the West and Southwest. In the Southeast, it is bound by the Wandor and Gorama Mende Chiefdom boundary. Finally in the East and Northeast, it is bound by the Biatong Section boundary with Kualley and Kaklawa Section.

Ward 46
(Kenema
District Council)

This ward comprises Kemoh, Gbogbeima and Niawa Sections in the Wandor Chiefdom and has a projected population of 11,043 people.

The ward boundary begins at the intersection of Tongorwa and Kemoh Section boundary, from the Gorama Mende and Wandor Chiefdom boundary. It follows this Section boundary and connects and runs along the Songhai and Gbogbeima, and Songhai and Niawa Section boundaries. It then joins and follows the Wandor and Simbaru Chiefdom boundary East onto the Wandor and Dodo boundary. From here it joins the Kono and Kenema District boundary for a short while North before joining and running along the Gorama Mende and Wandor Chiefdom boundary to the starting point.

Ward 47
(Kenema
District Council)

This ward consists of Tongowa, Boryongor and Songhai Sections in Wandor Chiefdom, with a projected population of 7,765 people.

The boundary of this ward begins at the Tongorwa and Kemoh Section boundary from the Gorama

WARD

DESCRIPTION

Mende and Wandor Chiefdom boundary. It then joins and follows in the Songhai and Gbogbeima and Songhai and Niawa Section boundaries, and connects the Simbaru and Wandor Chiefdom boundary. It runs along this Chiefdom boundary West onto the Kenema and Bo District boundary. It follows the District boundary North and joins the Gorama- Mende and Wandor Chiefdom boundary. It runs along this boundary Northeast onto the starting point.

Ward 48
(Kenema
District Council)

This ward consists of the entire Simbaru Chiefdom in the Kenema district and with a projected population of about 19,847 people.

This ward is bounded on the North by Wandor Chiefdom; in the East by Dodo Chiefdom; in the South by Kandu Leppiama and in the West by Badjia and Komboya chiefdoms in the Bo District respectively.

Ward 49
(Kenema
District Council)

This ward is made up of the whole of Dodo Chiefdom with a projected population of 15,328 people.

This ward is bounded on the North by Gorama Kono Chiefdom (Kono District), in the East by Lower Bambara Chiefdom; in the South by parts of Nongowa and Kandu Leppiama Chiefdoms, in the West and Northwest by Simbaru and Wandor Chiefdoms.

Ward 50
(Kenema
District Council)

This ward is made up of the Sonnie Section only in Kandu Leppiama Chiefdom, and has a projected population of 10,655 people.

The ward boundary begins at the point where the Section boundary between Sonnie and Gboro-Lokoma Sections touches the Kandu Leppiama Chiefdom boundary with Dodo Chiefdom. It runs along this Section boundary named above in a Southwesterly direction, and joins the Sonnie and Karga Section boundary. It then connects and runs along the Small Bo Chiefdom boundary with Kandu Leppiama Chiefdom in an Easterly direction. It then links up and moves North along the Nongowo Chiefdom boundary with Kandu Leppiama, before finally joining the Dodo and Kandu Leppiama Chiefdom boundary to the starting point.

WARD	DESCRIPTION
Ward 51 (Kenema District Council)	<p><i>This ward comprises the following Sections in the Kandu Leppiama Chiefdom: Karga, Borley and Gboro-Lokoma. It has a projected population of 12,830 people.</i></p> <p>The ward boundary begins at the intersection of Dodo and Kandu Leppiama and Simbaru Chiefdom boundaries. The boundary then follows the Dodo and Kandu Leppiama Chiefdom boundary Southeast and then deviates from it to run along the Section boundary between Sonnie and Gboro Lokoma Sections. From here, it joins the Sonnie and Karga Section boundary and then touches and runs along the Small Bo and Kandu Leppiama Chiefdom boundary. It then moves West and joins the Bo and Kenema District boundary. It runs along this District boundary North to meet the Simbaru and Kandu Leppiama Chiefdom boundary intersection, before joining it to ends at the starting point.</p>
Ward 52 (Kenema District Council)	<p><i>This ward consists of Sowa and Niawa Sections in the Small Bo Chiefdom, with a projected population of 11,579 people.</i></p> <p>This ward is bounded on the North by Kandu Leppiama Chiefdom (Sonnie and Karga Sections). In the East, it is bound by Nongowa Chiefdom (Gbo Lambayama 'B' Section), in the Southeast by the Kamboma and Niawa Section boundary. From the Kamboma and Niawa Section boundary, the ward boundary joins and follows the Fallay and Gorama Section boundaries right onto the Bo District boundary with Kenema. It runs along this District boundary Northeast onto the Kandu Leppiama Chiefdom boundary in the North.</p>
Ward 53 (Kenema District Council)	<p><i>This ward comprises only Fallay Section in the Small Bo Chiefdom, and has a projected population of 9,291 people.</i></p> <p>The boundary of this ward runs along the Section boundaries between Fallay and Niawa, Sowa, Gorama and Kamboma Sections, all within the same Small Bo Chiefdom.</p>
Ward 54 (Kenema District Council)	<p><i>This ward consists of Gorama and Kamboma Sections in the Small Bo Chiefdom, with a projected population of 11,588 people.</i></p> <p>The ward boundary begins at the intersection of Sowa and Gorama Section boundary on the Bo and Kenema District boundary. The boundary then follows the said Section boundary Northeast to join</p>

WARD	DESCRIPTION
Ward 55 (Kenema District Council)	<p>and flows South along the Gorama and Fallay Section boundary. From here, it joins and moves North along the Fallay and Kamboma Section boundary and then turns and moves East along the Kamboma and Niawa Section boundaries on to the Chiefdom boundary between Nongowa and Small Bo. The boundary then continues along the Chiefdom boundary between Small Bo and Koya; Small Bo and Langrama, before joining and moving North along the Bo and Kenema District boundary on to the starting point.</p> <p><i>This ward consists of Niawa and Langrama Chiefdoms in the Kenema District. (Kenema) It has a projected population of 13,879 people.</i></p> <p>The boundary of this ward begins at the intersection of Niawa, Wonde (Bo District) and Small Bo Chiefdom boundaries. It follows the Small Bo and Niawa Chiefdom boundary Northeast, it then joins and follows along the Koya and Niawa Chiefdom boundary Southwest to meet and follows the Kenema and Pujehun District boundary. It continues along the Kenema and Pujehun District boundary onto the Kenema and Bo District boundary (Wonde Chiefdom boundary), and runs along this boundary to the starting point.</p>
Ward 56 (Kenema District Council)	<p><i>This ward is made up of Upper Dabor, Dass-ama, Dakowa and Klajie Sections in the Dama Chiefdom. This ward has a projected population of 14,757 people.</i></p> <p>The boundary of this ward runs Southeast along the Section boundary between Danyadejo and Dakowa Sections from the Dama and Nongowa Chiefdom boundary. From here, it connects the Dama and Gaura Chiefdom boundary Northeast to join the Jawie (Kailahun District) and Dama Chiefdom boundary. It follows this boundary North and joins with the Dama and Nongowa boundary onto the starting point.</p>
Ward 57 (Kenema District Council)	<p><i>This ward consists of Danyadejo, Fowai and Lower Dabor Sections in the Dama Chiefdom, with a projected population of 13,494 people.</i></p> <p>This ward is bounded on the North by Nongowa Chiefdom, in the East by Dakowa Section, in the South by parts of Gaura and Tunkia Chiefdoms, and finally in the West by Koya Chiefdom.</p>

WARD

**Ward 58
(Kenema
District Council)**

DESCRIPTION

This ward is made up of the whole of Koya Chiefdom, with a projected population of 10,998 people.

Its Northern boundary runs along the Koya and Small Bo, and Koya and Nongowa Chiefdom boundaries. Its Eastern boundary follows the Koya and Dama Chiefdom boundary, while its Southeastern boundary follows the Tunkia and Koya Chiefdom boundary. Its South and Southwestern boundary runs along the Tunkia and Barri (Pujehun) Chiefdom boundary. And finally, its Western boundary follows the Niawa and Koya Chiefdom boundary, which eventually joins the Small Bo Chiefdom boundary, which is part of its Northern boundary.

**Ward 59
(Kenema
District Council)**

This ward consists of the entire Gaura Chiefdom in the Kenema District with a projected population of 18,750 people.

The ward boundary commences at the intersection of the Gaura, Dama and Jawie (Kailahun District) Chiefdom boundaries. It then follows the Kailahun District boundary (Jawie and Malema Chiefdom boundaries) onto the Nomo Chiefdom boundary with Gaura. It continues along the Gaura and Nomo boundary West to connect, and continues with the Tunkia and Gaura Chiefdom boundary. It then joins and flows along the Dama and Gaura Chiefdom boundary Northeast onto the Kailahun District boundary where it started.

**Ward 60
(Kenema
District Council)**

This ward consists of the whole of Nomo Chiefdom, and Daru and Kuawuma Sections in the Tunkia Chiefdom with a projected population of 12,121 people.

The boundary of this ward begins at a point where the Section boundary between Kuawuma and

WARD**DESCRIPTION**

Gegbwema meets the Gaura and Tunkia Chiefdom boundary. It follows this Section boundary Southwest onto the Kuawuma and Giewoma Section boundary. From here, it then follows the Daru and Taninahun, Daru and Gorahun Section boundaries onto the Liberia and Sierra Leone boarder. It follows the Liberia and Sierra Leone border Northeast on to the Nomo and Malema (Kailahun District boundary) Chiefdom boundary and then flows West along Gaura and Nomo Chiefdom boundary, before crossing the Nomo and Tunkia boundary intersection with Gaura Chiefdom boundary, to follow Gaura and Tunkia Chiefdom boundary onto the starting point.

**Ward 61
(Kenema
District Council)**

This ward consists of Gegbwema, Jewahun, Giewoma, Taninahun and Gorahun Sections in the Tunkia Chiefdom. It has a projected population of 15,354 people.

This ward is bounded on the North by Dama Chiefdom, in the Northeast by Gaura Chiefdom, in the East by Daru and Kuawuma Sections, Tonkia Chiefdom. In the Southeast by the Liberia border, in the South by the Makpele (Pujehun District) Chiefdom. In the Southwest, it is bound by Barrie Chiefdom (Pujehun District) and finally in the West, it is bound by Koya Chiefdom.

STATUTORY INSTRUMENT No. 7 OF 2011

*Published 7th July, 2011***THE WARD BOUNDARIES (DELIMITATION) ORDER***(ELECTORAL LAWS ACT, 2002)**(Act No. 2 of 2002)*

Short title.

THE WARD BOUNDARIES (DELIMITATION) ORDER'
(ELECTORAL LAWS ACT, 2002)

IN EXERCISE of the Powers conferred upon it by Section 2 of the Electoral Laws Act, 2002 Act No. 2 of 2002) the Electoral Commission hereby makes the following order:—

FOR the purpose of electing the Councillors to the Koidu-New Sembehun City Council, the Koidu-New Sembehun Council shall be divided into three multi-member wards as described in the schedule.

SCHEDULE**KOIDU-NEW-SEMBEHUN CITY COUNCIL: DESCRIPTION OF LOCAL COUNCIL WARDS**

Ward	DESCRIPTION
Ward 62 (Koidu-New-Sembehun City Council)	<p><i>This ward is made up of Tankoro-Lebanon and Tankoro-Kwaquima and part of New Sembehun Sections. It has a projected population of 17,706 people. (3 Seats).</i></p> <p>The ward boundary begins at the Bridge over Meya Stream by Lebanon on Masingbi Road by the ward boundary. It continues South along the Meya Stream just following the eastern flank of Kwaquima onto the edge of the Town and then bends West moving by the edge of the Town onto the Bridge and culvert over the Stream on the Masingbi Road just after the Kono Model Academy. From here, it moves North along the Stream, which is also the ward boundary passing at the back of the Islamic Call Society Primary School.</p>

WARD**DESCRIPTION**

The boundary then continues along the ward boundary at the edge of town crossing the Sahr Abu Chendeka Street and continues North onto the Meya Stream. It follows the Meya Stream South onto the starting point.

Ward 63
(Koidu-New-Sembehun City Council)

This Ward is made up of Tankoro, Kinsey, and part of Tankoro New Sembehun Sections. It has a projected population of 24,607 people. (4 Seats).

The ward boundary begins at the junction of Gbense Ngombu Street on New Sembehun Road. It follows Gbense Ngombu Street East onto Aiah Fillie Street Junction. It then deviates from Gbense Ngombu Street and joins Aiah Fillie Street moving Southeast along it and then joins Kania Road. It follows Kania Road passing Kissi Bona Street junction and connects the ward boundary, which is at the edge of the Town. The boundary then turns Southwest and continues along the ward boundary (the edge of the Town), crosses the New Sembehun Road close to Sokogbe Village and then continues in a westerly direction along the ward boundary onto the Meya Stream. It continues North along the Meya Stream onto the pond by Old Dumper Line. It then bends East moving along the Town edge onto the Chiefdom boundary between Gbense and Tankoro. It follows this boundary South onto the Stream and then crosses the Bridge and follows the Stream and ward boundary right opposite Fillie Faboe Street. It then moves East and joins Fillie Faboe Street onto New Sembehun Road. It moves North slightly along New Sembehun Road onto Gbense Ngombu Street junction where it ends.

WARD

Ward 64
(Koidu-New-Sembehun
City Council)

DESCRIPTION

This ward comprises part of Koidu Town, with the following Sections: Gbense Moindefeh, Gbenseh -Moindekoh, Part of Tankoro-New Sembehun, and Gbense-Sina Town. It has a projected population of 44,070 people. (8 Seats)

The boundary of this ward starts at the junction of Fillie Faboe Street on New Sembehun Road. It moves West along Fillie Faboe Street onto the swamp, and then to the Stream, which is also the ward boundary. It follows the Stream North crossing Masingbi Road by the Bridge, and then joins the Chiefdom boundary between Gbense and Tankoro. It follows this Chiefdom boundary North onto the edge of the Town. From here, the boundary then turns East crossing Yardu Road by the edge of Town. It continues along the edge of Town in an easterly direction crossing the Dumper Line. Continues still East until after it crosses the Road leading to Boroma Village before it turns South. It moves South along the edge of the Town and crosses the Road to Sufidu, then turns Southwest by the swamp along the ward boundary onto Kania Road area. It joins Kania Road by Kissi Bona Street junction, moves along Aiah Fillie Street, and joins Gbense Ngombu Street. From Gbense Ngombu Street it moves straight to New Sembehun Road. From New Sembehun Road it moves slightly South onto Fillie Faboe Street Junction where it originally started.

IN EXERCISE of the Powers conferred upon it by Section 2 of the Electoral Laws Act, 2002 Act No. 2 of 2002) the Electoral Commission hereby makes the following order:—

FOR the purpose of electing the Councillors to the Kono District Council, the Kono District shall be divided into twenty-four wards as described in the schedule.

SCHEDULE

**KONO DISTRICT COUNCIL: DESCRIPTION OF LOCAL
COUNCIL WARDS**

WARD

Ward 65
(Kono District
Council)

DESCRIPTION

This ward comprises the entire Kamara Chiefdom. This ward has a projected population of 13,539 people.

The boundary of this ward starts at the intersection of Gbense, Sandor and Kamara Chiefdom boundaries on the Bafi River; it follows the Bafi River West-South to West and joins the Shougba Stream in Nimikoro Chiefdom boundary. It follows Southeast and then turns Northeast leaving Chiefdom boundary and ends on the Bafi River where it originated.

WARD	DESCRIPTION
Ward 66 (Kono District Council)	<p><i>This ward is made up of the Moindekor Sections only in Gbense Rural and has a projected population of 11,936 people.</i></p> <p>This ward is bounded on the North and Northwest by the Kamara Chiefdom boundary, in the Southwest by the Nimikoro Chiefdom boundary, in the South it is bounded by the Koidu Township boundary with Gbense Rural and in the Southeast by the Moindefeh and Moindekor Section boundary. Then finally in the East and North by the Banyafeh and Moindekor Section boundaries.</p>
Ward 67 (Kono District Council)	<p><i>This ward is made up of part of Gbense Rural Chiefdom consisting of the follow Sections: Moindefeh, Banyafeh, Banyakor and Banfinfeh. It has a projected population of 13,464 people</i></p> <p>The boundary of this ward is made up of the Sandor and Gbense Chiefdom boundary in the North, Lei and Gbense Chiefdom boundary in the Northeast; then Fiama and Gbense Chiefdom boundary in the East and Southeast, in the South it is bound by the Tankoro and Gbense Chiefdom boundary and then the Koidu Township boundary with Gbense Rural in the Southwest. From here the boundary joins the Moindekor Section boundary with Moindefeh and Banyafeh Sections before joining the Kamara Chiefdom boundary to the West and Northwest before finally touching the Sandor Chiefdom boundary which is its starting point.</p>
Ward 68 (Kono District Council)	<p><i>This ward comprises Dangbaidu and Tharma Forest Sections in the Sandor Chiefdom. It has a projected population of 12,159 people.</i></p> <p>The boundary of this ward begins on the Bagbe Stream just North of Mafidu village, from here; it runs along the District boundary between Kono and Koinadugu District. It then moves towards South until it meets the Chiefdom boundaries between Nimiyama and Sandor Northeast, joining the Bafi River at the confluence of the Bagbe Stream. It follows the Bafi River East and deviates from it and stretches North following the Section boundary of Bafinfeh Section. It then moves away from the Bafinfeh Section boundary and follows the Section boundary between Yawatanda and Tharma Forest Northwest on to the Koinadugu District boundary.</p>

WARD	DESCRIPTION
Ward 69 (Kono District Council)	<p><i>This ward is made up of the entire Yawatanda Sections in the Sandor Chiefdom. It has a projected population of 8,822 people.</i></p> <p>The boundary of this ward starts on the Bagbe River just North of Mafidu village. It follows the River North for a while then deviates from it to follow the Koinadugu District boundary. It follows the District boundary East Northeast onto the Section boundary between Yawatanda and Sumuntifeh Sections. It follows this boundary Southeast onto where it joins the Section boundary between Bafinfeh Section and Yawatanda and runs along this boundary onto Dangbaidu Section boundary. It follows the Dangbaidu Section boundary with Yawatanda and joins the Tharma Forest Section boundary with Yawatanda. It runs along this boundary North onto the Koinadugu District boundary. It follows the District boundary on the Bagbe River North of Mafidu village where it originally started.</p>
Ward 70 (Kono District Council)	<p><i>This ward is made up of Bafinfeh Sections in the Sandor Chiefdom with a projected population of 9,231 people.</i></p> <p>The boundary of this ward begins on the Bafi Stream (the Nimikoro Chiefdom boundary), it follows this boundary to join the Kamara Chiefdom boundary Northeast and then joins the Njeikor Section boundary and moves along it in a northerly direction then connects and follow the Sumungifeh, Yawatanda and Dangbaidu Section boundaries with Bafinfeh Section in a Southwesterly direction onto the Bafi Stream, its starting point.</p>
Ward 71 (Kono District Council)	<p><i>This ward consists of Sinkongofeh, Kawafeh and then Sumungifeh Sections in Sandor Chiefdom. It has a projected population of 13,112 people.</i></p> <p>This ward is bounded on the Northwest and Northeast by the Koinadugu District boundary. Down Southeast it is bound by the Sangbafeh Section boundary with Kawafeh Section. In the South it is bound by the Njeikor and Bafinfeh Section boundaries with Sumunjifeh Section. Finally, it stretches to the Yawatanda Section boundary with Sumunfifeh Section right up to the Koinadugu District boundary forms it Southwesterly boundary.</p>

WARD
Ward 72
(Kono District
Council)

DESCRIPTION

This ward is made up of Njeikor, Samgbafeh and Fakongofeh Sections in Sandor Chiefdom. It has a projected population of 10,645 people.
 The boundary of this ward begins on the Njei Stream some few kilometres North of Sangbandor village. It follows the Njei Stream South and joins the Bafi River. It follows the Bafi River East onto its intersection with Kundiya Stream. It follows the Kundiya East and deviates from it to follow the Gbogba Stream North towards Sowanda village before joining and following through the Tungi Mountains onto the Koinadugu District boundary. It follows the District boundary West to join and follow the Kawafeh, Sangbafeh, Njeikor and Sumungifeh-Njeikor Section boundaries before running South with the Kawafeh-Njeikor Section boundary onto the Njei Stream where it originally started.

Ward 73
(Kono District
Council)

This ward is made up of part of Bandafafeh section consisting of the following localities; Kpaikor, Kabokaya, Baoma I, Yengema, Gaya, Bondofulahun, Motema, Simbakoro and Joe Town. It has a projected population of 13,027 people.

This ward is bounded on the North by Kamara Chiefdom, in the East by Gbense and Tankoro Chiefdoms; in the South by the Town boundaries between Njama Limba corner, Bendu III, Small Gaya, Sinji camp, Baoma II and Bangalo all in Ward 74 on the one hand, and Yengema, Gaya, Bondofulahun, Joe Town and Simbakoro in this ward (73) on the other hand. In the West it is bounded by Bafinfeh section.

Ward 74
(Kono District
Council)

This ward is made up of the following localities; Fandehun, Levuma Bumpe, Deny Town and Ndoryogbor in the Jaiama section as well as the following localities in the Bandafafeh section; Bendu III, Njama Limba corner, Kpakama Junction, Kpakama, Wadeh, small Gaya, Norway, Bandafayie, Sinji Camp, Bandafada, Bardu, Konodu, Baoma II, Sembehun, Tongbodo, Peyima, Bangalo and Sawakor in the Bandafafeh section. It has a projected population of 13,243 people.

WARD

DESCRIPTION

This ward is bounded on the North by Bafinfeh and Gbogboafeh Sections; in the East and Southeast by the town boundaries between Yengema, Gaya, Bondofulahun, Joe Town and Simbakoro all in Ward 73 on the one hand and Njama Limba Corner, Bendu III, Small Gaya, Sinji Camp, Baoma II and Bangalo all in this ward (74) on the other hand and the Nimikoro-Tankoro Chiefdom boundary respectively. In the South and Southwest by the Jaiama-Bandafafeh Section boundary. In the West by the same Jaiama-Bandafafeh Section boundary.

Ward 75
(Kono District
Council)

Ward 75 is made up of the whole of Masayiefeh Section; and Jaiama Section excluding the following localities: Fandehun, Levuma, Bumpe, Deny Town and Ndoryogbor which is part of ward 74. It has a projected population of 10,427 people.

The boundary of this ward runs along the town boundaries between Fenima (part of the ward) and Deny Town and Ndoryogbor (part of ward 74) East from the Gbogboafeh-Jaiama Section boundary onto the Jaiama-Bandafafeh Section boundary. It runs along this boundary Southeast and joins the Nimikoro-Tankoro Chiefdom boundary. It runs South along this boundary onto the Gorama Kono-Nimikoro boundary. It follows this boundary West and joins the Nimiyama-Nimikoro boundary. It runs North along this boundary onto the intersection of the Section boundary between Jaiama and Gogboafeh Sections. It deviates from the Nimiyama – Nimikoro Chiefdom boundary and follows the Jaiama-Gbogboafeh Section boundary Northeast to the starting point.

Ward 76
(Kono District
Council)

This ward consists of Gbogboafeh and Bafinfeh Sections in the Nimikoro Chiefdom. It has a projected population of 11,132 people.

WARD 77
(Kono District

This Ward is made up of Fiana Chiefdom only with a projected population of 9,821 people.
 This ward is bounded on the North and northwest by Lei and Gbense Chiefdoms. In the Southwest by Tankoro Chiefdom, in the South by Gbane Chiefdom and in the East and Southeast by Soa Chiefdom.

WARD

Ward 78
(Kono District
Council)

DESCRIPTION
This ward comprises Tama and Njagabahun Sections in the Nimiyama Chiefdom with a projected population of 7,229 people.

The ward boundary begins at the Bafinfeh Section boundary with Tama Section on the Sandor Chiefdom boundary. It runs along this Section boundary South and forms the Njaifeh-Njagbahahun Section boundary right down to the Gorama Mende boundary. It then runs along this boundary West and connects the Kunike boundary (Tonkolili District). It follows North and slightly touches Nieni boundary (Koinadugu) and finally links up with the Sandor Boundary to ends at its beginning.

Ward 79
(Kono District
Council)

DESCRIPTION
This ward consists of the Bafinfeh Section only in the Nimiyama Chiefdom it has a projected population of 9,429 people.

The boundary of this ward begins at the intersection of Tama-Bafinfeh Section boundary on the Sandor boundary. The boundary follows the said Section boundary South to connect the Bafinfeh-Njaifeh Section boundary onto the Nimikoro Chiefdom boundary. It follows the Nimikoro Chiefdom boundary North on to the Sandor boundary. It follows the Sandor boundary on to the intersection with Tama-Bafinfeh Section boundary, its original starting point.

Ward 80
(Kono District
Council)

DESCRIPTION
This ward is made up of two Sections in the Nimiyama Chiefdom, which are Njaifeh and Peyifeh Sections. It has a projected population of 11,572 people.

The boundary is situated along the Njagbahahun-Njaifeh Section boundary to the West and northwest and then to the Gorama-Mende Chiefdom boundary to the Southwest, then the Gorama-Kono Chiefdom boundary to the South and finally the Nimikoro Chiefdom boundary to the Southeast and the East to the Bafinfeh Section boundary to the North.

Ward 81
(Kono District
Council)

DESCRIPTION
This ward consists only of Gorama-Kono Chiefdom with a projected population of 12,572 people.

The boundary of this ward begins at the intersection of Nimiyama, Gorama Mende and Gorama Kono Chiefdom. It runs along the Nimiyama, Nimikoro and Tankoro Chiefdom boundaries in an easterly direction and then turns Southeast along the Gbane Chiefdom boundary to connect and follow the Kenema District boundary

WARD

Ward 82
(Kono District
Council)

DESCRIPTION
in a westerly direction onto Wandor Chiefdom boundary before heading North along the Wandor and Gorama Mende Chiefdom boundaries on the starting point.

DESCRIPTION
This ward comprises Tankoro Rural Chiefdom with a projected population of 11,895 people.

This ward is bounded on the North and Northwest by the Gbense Rural Chiefdom boundary and Koidu Township boundary in the West and Southwest. It is bound by the Nimikoro Chiefdom boundary. In the South, it is bound by the Gorama-Kono Chiefdom boundary and finally in the Southeast by the Gbane Chiefdom boundary and the East and Northeast by the Fiamia Chiefdom boundary.

WARD 83
(Kono District
Council)

DESCRIPTION
This ward is made up of the entire Gbane Chiefdom in the Kono District. It has a projected population of 15,997 people.

This ward is bounded on the North by Fiamia Chiefdom; in the East by Soa Chiefdom; in the South by Penguia and Yawei Chiefdoms in the Kailahun District and Malegohun Chiefdom in the Kenema District. In the West it is bound by Gorama Kono and Tankoro Chiefdom.

WARD 84
(Kono District
Council)

DESCRIPTION
This ward is made up of five Sections in the Soa Chiefdom, is as follows: Maindu, Tenlendaka, Foidu-Mongo, Sawa-Buma and Sawa-Fiamia Sections. It has a projected population of 9,921 people.

The boundary of this ward begins at the point where Fiamia, Gbane and Soa Chiefdoms meet. The boundary then runs Southeast along the Gbane and Soa Chiefdom boundary and then joins the Morfi Stream and then flows East along the Morfi Stream to connect the Meli River. It moves North along the Meli River and joins the Gbane Kandor-Soa Chiefdom boundaries. It moves North with this Chiefdom boundary onto the Section boundary between Tensenkor and Foidu-Mongo Sections, as well as the Section boundary between Kokongo-Kuma and Mandu Sections and ends at the point where Fiamia, Gbane and Soa Chiefdoms meet.

WARD 85
(Kono District
Council)

DESCRIPTION
This ward is made up of Kokongo-Kuma, Mofunkor and Tensenkor Sections in the Soa Chiefdom. It has a projected population of 13,029 people.

WARD

DESCRIPTION

The boundary of this ward starts at the intersection of Lei, Soa and Fiama Chiefdoms. It follows the Fiama and Soa Chiefdom boundaries South onto the Section boundary between Maindu and Kokongo-Kuma Sections. It runs along this boundary East and joins the Tensendakor and Tensenkor Section boundaries. From here, the boundary follows the Tensenkor and Foidu-Mongo Section boundaries East and joins the Gbane-Kandor Chiefdom boundary with Soa Chiefdom. It moves along this Chiefdom boundary North and deviates from it to join and move along the Lei Soa Chiefdom boundary West onto the intersection of Fiama, Lei and Soa Chiefdom boundaries where it ends.

WARD 86
(Kono District Council)

This ward consists of the entire Toli Chiefdom and Koaro, Dia, Yawai-Kamara Sections in Lei Chiefdom. It has a projected population of 9,208 people.

This ward is bound in the North by the Koinadugu District boundary; in the West it is bound by the Fakongofeh and Koaro Section boundary (also serving as Chiefdom boundary). It then connects and runs along the Koaro-Tingikor, Koaro-Lei, Yawai-Lei and Kamara-Kensey Section boundaries in a Southeasterly direction, all in the Lei Chiefdom until it reaches the Meli River. The boundary then joins and flows along the Meli River North onto the northern tip of Toli Chiefdom, which is also the Koinadugu District boundary on the starting point.

WARD 87
(Kono District Council)

This ward comprises Tungi-Kor, Lei, Tankoro, Sangbanda and Kensay Sections in the Lei Chiefdom. This ward has a projected population of 11,377 people.

The ward boundary begins at the Sandor-Lei Chiefdom boundary where the Koaro, Tingi-Kor Section boundary touches the Sandor Chiefdom boundary. Then the boundary follows the Section boundaries between Koaro and Tingi-Kor; Koaro and Lei, between Yawai and Lei, Kensey and Kamara Sections (all in Lei Chiefdom) in a Southeasterly direction before touching the Meli River. The boundary then moves slightly South with the Meli

WARD

DESCRIPTION

River and deviates from it to follow the Chiefdom boundary between Lei and Mafindor, Gbane-Kandor, Soa, Fiama Chiefdoms in a westerly direction before joining the Sandor Chiefdom boundary with Lei and follows it North to the starting point.

WARD 88
(Kono District Council)

This ward is made up of two Chiefdoms namely: Mafindor and Gbane-Kandor Chiefdoms. It has a projected population of 11,842 people.

The ward boundary begins at the intersection of Lei, Soa and Gbane-Kandor Chiefdoms. It then follows the Lei Chiefdom boundary with Gbane-Kandor and Mafindor Chiefdoms onto the Meli River (Sierra Leone and Guinea boundary). It follows the Meli River Southeast and then turns Southwest along the same River until it meets the Soa Chiefdom boundary on the same Meli River. The boundary then deviates from the Guinea boundary to follow the Soa and Gbane-Kandor boundary North right up to the intersection with Lei Chiefdom where it originally started.

FOR the purpose of electing the Councillors to the Bombali District Council, the Bombali District shall be divided into twenty-seven wards as described in the schedule.

SCHEDULE

BOMBALI DISTRICT COUNCIL: DESCRIPTION OF LOCAL COUNCIL WARDS

DESCRIPTION

Ward 92
(Bombali District Council)

This ward consists of the following Sections: Konta in Bombali - Seborra Chiefdom, Masabong and Mayagba in Paki Masabong Chiefdom. It has a projected population of 14,407 people.

Starting from the Rokel River, the ward boundary runs North along the eastern boundary of Mayagba Section, then West along the boundaries of Mayagba and Konta Sections then turns South along the western boundary of Konta Section to the Rokel River. The boundary then turns East to the northeast along the Rokel River to the eastern boundary of Mayagba Section.

Ward 93
(Bombali District Council)

This ward consists of the following Sections: Kafala and Matotoka in Bombali Seborra Chiefdom, it has a projected population of 12,068 people.

WARD

DESCRIPTION

The ward boundary starts from Kafala Section boundary with Kagbaran Dokom and runs East along this boundary to meet the boundary with Rosanda Section. It turns South, then West along the boundary between Kafala and Konta Sections. The boundary continues Southwest along the western boundary of Konta Section to the River Rokel. It continues Southwest along the Rokel River to meet the Matotoka Section boundary in Bombali - Seborra Chiefdom. It then follows Northwest along the Matotoka Section boundary and Northeast along the Maiyanka and Mapung Rivers to meet the Kagbaran Dokom 'B' Section boundary.

Ward 94
(Bombali District Council)

This ward consists of the following Sections: Kagbaran Dokom 'B' in Bombali Seborra Chiefdom, Mapaki, Kathanthan, Kathegeya and Rosanda in Paki Masabong Chiefdom. The ward has a projected population of 16,073 people.

Starting from the Kagbaran Dokom 'B' Section boundary in Bombali Seborra Chiefdom, the ward follows Northeast along the Rosanda, Kathanthan and Kathegeya Section boundaries in Paki Masabong Chiefdom to meet the Rokel River. It then continues Southwest along the Rokel River to meet the Mayagba Section boundary. It turns North, then along the Mayagba Section boundary with Mapaki Section and West along Rosanda Section. It continues North along the same Section boundary to meet the Kagbaran Dokom 'B' Section boundary in Bombali Seborra Chiefdom.

Ward 95
(Bombali District Council)

This ward consists of the four Sections in the Makari Gbanti Chiefdom: Gborbana, Mabanta, Magbenteh and Rosint Sections. The ward has a projected population of 15,201 people.

Starting from Gborbana Section boundary, the ward runs Southeast along the Gborbana Section boundary and further South along the Rosint Section boundary. It then follows Northwest along the Rosint, Gborbana, Mabanta and Magbenteh Sections. It then takes a Northwesterly direction along the western boundary of Magbenteh, a more northerly direction along the Mabanta Section to meet the Section boundary of Gborbana.

WARD

Ward 96
(Bombali District
Council)

DESCRIPTION

This ward consists of the three Sections in the Makari-Gbanti Chiefdom: Mankene and Masongbo 'A' Sections. The ward has a projected population of 13,157 people.

The ward boundary starts from the boundary between Masongbo 'A' and Magbenteh Section; and runs along the Masongbo 'A' Section boundary and along Mayainka River Southwest to meet the Tabai River. Here, the boundary turns North along the Tabai River, crosses the Freetown highway and then turns West along the Mankene Section boundary to meet the boundary of Mankene 'B' Section. It then turns northeast along the Mankene and Masongbo 'A' Sections boundaries to meet the boundary between Magbenteh and Masongbo 'A' Sections; it then turns South along this boundary to the Chiefdom boundary.

Ward 97
(Bombali District
Council)

This ward consists of the following Sections: Masongbo 'B', Puthun - Tonkoba, Mangay and Yainkassa. The ward has a projected population of 16,124 people.

The ward boundary starts from Puthun and runs along Mabole River and Tonkoba Section boundary Southwest on to the boundary between Bombali and Port Loko Districts. It then turns South along this boundary (District boundary) down to Rokel River. The boundary turns East along the Rokel River to the Chiefdom boundary, where it turns North and follows the eastern Section boundary of Yainkassa Section (along the Tabai River); crosses the Freetown highway and then turns West along the Mankene and Masongbo 'B' Section boundaries then turns northeast along Mankene and Masongbo 'B' Sections; and then Mangay and Masongbo 'A' Section boundaries and then North along Mangay Section boundary on to the Mabole River.

Ward 98
(Bombali District
Council)

This ward consists of the whole of Libeisaygahun Chiefdom and having the following Sections: Batkanu, Mafonda, Magbaingba, Magbanaba, Makaiba, Makayrembay, Mandawahun, Mayakoi, Mayankay, Robaka, Rothatha and Simbaya. The ward has a projected population of 14,423 people.

Starting from the Mabole River, the boundary follows the Batkanu Section boundary joining the Gitiwa Stream Southeast to the Mabole River. It then follows the Magbaingba Section boundary South, and then stretches West along the boundaries of Mayakoi and Makaiba Sections on to Rotha-tha Section. The

WARD

WARD 99
(Bombali District
Council)

DESCRIPTION

boundary then turns northwest to follow the District boundary on to the Mabole River. It finally takes a turn and follows the Mabole River North and then East on to the eastern boundary of Batkanu Section.

This ward consists of part of Gbendembu Ngowahun Chiefdom with the following Sections: Mamaka, Mamukay, Garangawa, Masongbo and Kalangba. The ward has a projected population of 10,807 people.

Starting from the eastern boundary of Kalangba Section along Mabole River, the ward boundary runs West, then Northwest along the Gitiwa Stream to meet the Mabole River via Mamaka Section boundary. It then turns and follows the northern boundary of Mamaka Section, then South along the Masisa Stream then Southeast along Meteda Stream joining the Kalangba Section on to the Mabole River.

Ward 100
(Bombali District
Council)

This ward consists of part of Gbendembu- Ngowahun Chiefdom with the following Sections: Mayorthon, Gbendembu, Matehun, Kania, Makarihiteh, Tambiama and Makeregbahun. The ward has a projected population of 11,618 people.

Starting from the boundary between Mamaka and Mayorthan Sections along Masisa Stream, the boundary runs along Mayorthan Section northeast then Southeast meeting the Gbendembu Section. It stretches East along the northern boundaries of Kania and then Southeast along the Makarihiteh and Makeregbahun Sections onto the Mabole River. The ward boundary then turns and follows Mabole River South then West to meet the Tambiama Section where it turns Northwest along the Southwestern boundaries of Matehun, Kania, Makarihiteh and Gbendembu to meet the Masisa Stream, forming the boundary between Mamaka and Mayorthan Sections.

Ward 101
(Bombali District
Council)

This ward consists of the northern boundary of Rogbin Section, Gbendembu Ngowahun Chiefdom with the following Sections: Makai, Lohindie, Tanyehun, Lobanga, Sahun, Makump and Loko-Medina. The ward has a projected population of 9,945 people.

WARD

DESCRIPTION

Starting from the Mabole River, the ward boundary stretches West along the northern boundaries of Lobanga and Tanyehun Sections. It then turns Southwest along Tanyehun and Lohindie Sections, then North and Southwest along the Makai Section boundary. The boundary then turns Southeast along Makai, Lohindie, Sahun and Makump Sections boundaries onto the Mabole River. The boundary finally turns and follows North along the Mabole River to the northern boundary of Lobanga Section.

WARD 102
(Bombali District Council)

This ward consists of Mabaimba- Ndorwahun Chiefdom with the following Sections: Kawungulu, Yana, Sokudala, Makendema, Mabaimba, Manjahagha, Hunduwa, Kagberay and Kababala. The ward has a projected population of 9,348 people.

The ward boundary starts from the Mabole River in Manjahagha Section to follow the Chiefdom boundary North, then turns West along Mabaimba-Ndorwahun and Gbendembu-Ngowahun Chiefdom boundaries. It continues along the same Chiefdom boundary of Kababala Section where it turns to take a North-easterly direction along the Chiefdom. The boundary then turns East along the Chiefdom boundary to meet Kawuungulu Section where it turns and follows a South-westerly direction along the Chiefdom boundary to the Mabole River in Manjahagha Section.

Ward 103
(Bombali District Council)

Six Sections in Sanda-Tendaran Chiefdom make up this ward, these are: Rogbin, Kalangba, Sendugu, Kukuna Masisan and Rogboreh. The ward has a projected population of 14,045 people.

The ward boundary starts from the Chiefdom boundary and follows the northern boundary of Rogbin Section East then Southwest along Kalangba and Sendugu Sections. It then turns South along Masisan Section to meet the Chiefdom boundary, the boundary then turns northeast along the Chiefdom to the northern boundary of Rogbin Section.

Ward 104
(Bombali District Council)

This ward consists of Yankabala, mateboi marampa and rosos Sections. in sanda. Tendaran Chiefdom and Makumray 'A' and 'B', Gbonkobana, Kayourgbo, Rogberay and Laminaya Sections in Gbanti-Kamranka Chiefdom. The ward has a projected population of 14,535 people.

WARD

DESCRIPTION

Starting from Makumray 'A' Section in the Gbanti-Kamranka Chiefdom, the boundary runs along the Chiefdom boundary southwest to meet Yankabala Section in Sanda Tendaran Chiefdom where it deviates from the Chiefdom boundary to follow the Yankabala Section boundary South-west onto Mateboi Section. Here it takes a southerly direction to meet the Chiefdom boundary. It then takes a westerly direction along the Chiefdom via the Mabole River to the District boundary. The boundary turns North along the Bombali and Port Loko District boundaries on to the northern boundary of Laminaya Section in Gbanti-Kamranka Chiefdom. It then turns to take a South and easterly direction along Laminaya, Rogberay, Gbonkobana, Makumray 'A' and 'B' Sections boundaries to the Chiefdom boundary.

Ward 105
(Bombali District Council)

This ward consists of the following Sections: Makapa in the Sanda-Loko Chiefdom, Kambia, Makulon and Gbainkfay Sections in Gbanti-Kamranka Chiefdom. It has a projected population of 13,125 people.

The boundary starts from the Little Scarcies river and runs East along the northern boundary of Makapa Section, then South along the boundaries of Kambia-Makulon and Gbainkfay Sections to meet Makumray 'A' Section. It then stretches West along Makulon Section then North along the Makulon Kambia to meet the Little Scarcies along the southern boundary of Makapa Section.

Ward 106
(Bombali District Council)

This ward consists of the following Sections: Timbo and Kania in the Sanda-Loko Chiefdom, Romaneh, Sendugu 'A' and 'B', Kamranka, Sakoma 'A' and 'B' and Royema 'A' and 'B' Sections in Gbanti-Kamranka Chiefdom. It has a projected population of 13,224 people.

Starting from Royema Section the boundary runs North along the Chiefdom boundary then Northwest to meet Kania Section in Sanda-Loko Chiefdom. It then turns North along Kania Section boundary, then West along Timbo Section. The boundary then turns South through the western Section boundaries of Timbo, Kania, Sendugu, Romaneh, Sakoma 'B', where it turns East through the southern boundary of Sakoma 'A' and Royema 'A' to the Chiefdom boundary.

WARD	DESCRIPTION
Ward 107 (Bombali District Council)	<i>This ward is made up of two Sections in Safroko Limba Chiefdom: Bombali-Bana and Binkolo Sections. The ward has a projected population of 14,168 people.</i> The ward boundary starts from the Mabole River and follows the northern boundary of Bombali-Bana along the Masumene Stream East and then Southeast along the same Stream. It then takes a more southerly direction along the Section boundary of Binkolo to meet the Chiefdom boundary. It then turns North, then northwest along the Chiefdom to meet the Mabole River. It finally turns North along the Mabole River to the confluence of the Masumene Stream.
Ward 108 (Bombali District Council)	<i>This ward consists of the following Sections: Kabonka, Mabamba, Kayassi, Massapri and Kasengbeh in Safroko-Limba Chiefdom. The ward has a projected population of 8,727 people.</i> Starting from Mabamba Section the ward boundary runs along the Rokel River North and northeast onto Massapri Section where it deviate from the River to take a North-westerly and then northerly direction along the District boundary to meet the Upper limits of Bumban Section in Biriwa Chiefdom. It then takes a westerly direction and then southerly direction along Bumban, Kabonka, Mabamba Sections boundary to the Rokel River.
Ward 109 (Bombali District Council)	<i>This ward consists of the following Sections in Biriwa Chiefdom: Bumban, Karina, Bumbandain and Kamabai with a projected population of 17,673 people.</i> Starting from the northern limits of Karina Section, the ward boundary runs South mostly along the Mabole River down to the confluence of the Masumene Stream in Bumbandain Section. It then takes an easterly direction along Masumene Stream to the eastern boundary of Kamabai Section. Here the boundary follows the Section boundary in a general northern direction on to Karina Section.
Ward 110 (Bombali District Council)	<i>This ward consists of the following Sections in Biriwa Chiefdom: Kagbankuna, Kabakeh and Balandugu, Karassa and Kayonkoro. The ward has a projected population of 12,757 people.</i>

WARD	DESCRIPTION
Ward 111 (Bombali District Council)	The boundary starts from the Masumene Stream end and follows the Bombali and Koinadugu district boundaries West to the South along Kagbankuna, Kabakeh and Balandugu Section boundaries to the southern end of Kabakeh and Balandugu Section boundary. Here, the boundary turns East to meet the eastern limits of Kayonkoro Section. The boundary finally takes a northern direction along Kayonkoro Section boundary then along the District boundary to the northern limits of Kagbankuna Section. <i>Parts of Kamakwie Section form this ward. It has a projected population of 16,626 people.</i> Starting from the Masingeri Stream the ward boundary runs East along the Kamakwie Section boundary to turn North along the eastern fringes of Kamakwie Town. Passing through Kamakwie II, the boundary continues North along the road to join the Section boundary. It then turns Southwest to continue along the Section boundary joining the Masingeri Stream and down to southern limits of the Section, the starting point.
Ward 112 (Bombali District Council)	<i>This ward consists of part of Kamankoh Section. It has a projected population of 9,190 people.</i> Starting from the Little Scarcies and Kaba river, the ward boundary runs Southeast along the Kamankoh Section boundary and then Southwest along the same Section boundary to continue to the Kamakoto village. It then turns Northwest to meet the Little Scarcies and Kaba River where it takes a Northeasterly direction along the river to Kamankoh Section boundary.
Ward 113 (Bombali District Council)	<i>This ward consists of "Paramount Chief", Moria and Dugutha Sections in Tambakha Chiefdom and Samia Section in Sella-Limba Chiefdom. The ward has a projected population of 14,529 people.</i> The ward boundary starts from the Guinea Boarder to follow the Little Scarcies and Kaba River (District boundary) South to the Mongo River where it takes a south-westerly direction along the Mongo River then along the Samia Section in Sella Limba Chiefdom to the Little Scarcies and Kaba River to Paramount Chief Section. Following Paramount

WARD

DESCRIPTION

Chief Section boundary, the boundary moves northwest and North along Moria Section to the Guinea Border. It finally moves northeast along the international boundary to the Scarcies river.

Ward 114
(Bombali District
Council)

This ward consists of Thalla and Semibue Sections in Tambakha Chiefdom. The ward has a projected population of 9,658 people.

Starting from Thalla Section, the boundary follows the Sierra Leone and Guinea border Southwest and then Southeast along the Bombali and Kambia District boundaries onto the Little Scarcies river. The boundary then follows the River Northeast to the eastern end of Semibue Section. It finally takes a Northwesterly direction along the Semibue Section boundary and a northerly direction along Thalla Section boundary to the international boundary.

Ward 115
(Bombali District
Council)

The ward consists of the following Sections in Sella-Limba Chiefdom: Magbonkoni II, Manon-onkoh and the following localities in Kamankoh Section: Rosegeri, Katambi and Tumparay. The ward has a projected population of 11,520 people.

The boundary starts from the Little Scarcies and Kaba River North of Tumparay and moves Southeast to the Section boundary where it turns northeast along the Magbonkoni II Section boundary then Southeast along Manonkoh Section to the Chiefdom. It turns Southwest along the Chiefdom boundary to the Little Scarcies and Kaba River; it finally turns North along the River to the starting point.

Ward 116
(Bombali District
Council)

The ward consists of the following Sections in Sella-Limba Chiefdom: Kayimbor, Magbonkoni I and part of Kamakwie. It has a projected population of 13,893 people.

The ward starts from the boundaries of Kayimbor Sections and Tambakha chiefdom; it follows the District boundary Southeast to meet the Chiefdom boundary. It then turns Southwest along the boundary between Sella-Limba, Sanda- Loko Chiefdoms to the western edge of Magbonkoni I where it turns Northwest along the Section. The boundary continues North to pass through Kamakwie II to join the Section boundary to the northern limits of the Section. It then turns East along the Section boundary and then Northeast along the Mongo River to the District boundary.

WARD

Ward 117
(Bombali District
Council)

DESCRIPTION

The ward consists of the following Sections in Sanda-Loko Chiefdom: Kaindema, Rothatha, Banka, Kamalu and Maparay. It has a projected population of 13,208 people.

Starting from Kaindema Section, the boundary follows the Chiefdom boundary Northeast to the eastern end of Banka Section. It then turns South along Banka and Kamalu to the Southern end of Maparay Section. The boundary turns to Kamalu and then northwest along Kaindema to the Chiefdom boundary.

Ward 118
(Bombali District
Council)

The ward consists of the following Sections: Benia, Kindia, Makwie-Loko, Madina, Laminaya, Maharibo and Manathi in the Sanda Loko chiefdom. The ward has a projected population of 10,305 people.

The boundary finally turns Northeast along the Chiefdom boundary to the starting point.

Ward 179
(Port Loko
District Council).

The ward consists of the following Sections in Dibia Chiefdom: Mafonda, Kayembor, Makabari and Makump. The ward has a projected population of 12,766 people.

Stating from Dibia and T.M.S Chiefdoms boundary along the District boundary, the boundary runs along the District boundary West to meet the Bureh Kasseh Makonteh (BKM) and Dibia Chiefdoms boundary, where it turns Southwest along the Chiefdom boundary, on the Makump Section. It then takes a Northeasterly direction along the Sections boundaries of Makump, Makabari, Kayembor, Mafonda on to the District boundary, the original starting point.

Ward 180
(Port Loko
District Council).

The entire Sanda Magbolontor Chiefdom makes up this ward. It has a projected population of 16,297 people.

The ward is bounded on the North and West by Kambia District, in the East, by Bombali District and by Bureh Kasseh Makonteh (BKM) Chiefdom.

Ward 181
(Port Loko
District Council).

The following Sections in Maforkie Chiefdom make up this ward: Malal, Kabata, Tauya, pop-Gberray Morie and Magbenie. It has a projected population of 14,293 people.

Starting from T.M.S, the boundary follows the Maforkie Chiefdom boundary in a general western direction on to the Gberray Morie Section. It then takes a southerly direction along the Chiefdom boundary to the Port Loko Creek. The boundary then turns northeast along the Creek, then North along the western fringes of Port Loko Town. It then takes an easterly direction along Magbeni and Kabata Sections boundary to meet the T.M.S. Chiefdom boundary. It then runs along the Chiefdom boundary North to the starting point.

WARD

Ward 182
(Port Loko
District Council).

DESCRIPTION

The following Sections in Bureh Kasseh Mak-onteh (BKM) Chiefdom makes up this ward: Rogbla, Kalangba, Mange Morie, Kambia Morie, Minthormore, Kaiyeabor, Konta Ferry, Yali-Sanda and Mamanka. The ward has a projected population of 17,729 people.

The boundary starts from the BKM and Maforkie boundary to follow the Port Loko and Kambia Districts boundary North, and then East to the Minthormor and Mabombo boundary. It then turns South to the Chiefdom boundary through Kaiyeabor, Yali-Sanda and Mamanka Sections boundaries. It then turns West along the Maforkie and BKM Chiefdom boundary to the District boundary.

Ward 183
(Port Loko
District Council).

The following Sections in BKM Chiefdom constitute this ward: Bamoi, Marenka, Mabombo, Rotifunk, Kagbanthama, Romeni, and Makana. The ward has a projected population 17,020 people.

This ward is bounded on the North by Sanda Magbolonthor Chiefdom, in the East by Dibia Chiefdom, in the South by Maforkie Chiefdom. In the West, the ward boundary follows the western boundaries of Makana, Rotifunk and Mabombo Sections on to the Sanda Magbolonthor Chiefdom.

Ward 184
(Port Loko
District Council).

Parts of Foronkoya Section and the whole of Mahera Section in the Kaffu Bullom Chiefdom make up this ward. It has a projected population of 20,969 people.

The boundary starts from the Lungi and Foronkoya Sections boundary and follows the Atlantic Coast Southeast to Mahera Section. It then turns East along the southern boundary of Mahera Section then Northeast along Mahera Section to join Foronkoya Section boundary again. It then turns North and runs along the Section boundary, to continue East of Petifu and Kirma Villages (both in Foronkoya Section). It then turns West to pass North of Kirma, then South to pass between Kirma and Makassa towards Sawktar. The boundary then turns West joining Access Road in Sawktar then joins Hospital Road. It continues along Hospital Road to join the Port Loko Town Road. It then follows Old Port Loko Road northwest to Sandy Street. It continues North along Sandy Street and Mariatu Street. It turns East along Mariatu Street to the St. Augustine Compound. It then turns North along the western edge of St. Augustine Compound to the Section boundary. It finally turns West along the Section boundary to the Atlantic Ocean.

WARD

Ward 185
(Port Loko
District Council).

DESCRIPTION

Rosint, Yongro and Mamanki Sections in Kaffu Bullum Chiefdom, makes up this ward. It has a projected population of 15,324 people.

This ward is bounded by the Atlantic Ocean in the Southwest, and by the Sierra Leone River in Northeast. In the North, the boundary follows the northern boundaries of Mamanki from the Sierra Leone River in the Atlantic Ocean via the Yongro Section boundary.

Ward 186
(Port Loko
District Council).

This ward consists of Kasongha Section in Kaffu Bullum Chiefdom and Mapiterr in Lokomasama Chiefdom. The ward has a projected population of 13,091 people.

Starting from the Mahera Section boundary, the boundary runs East along Kasongha Section boundary on the Mapiterr Section. It then turns North and Northeast along Mapiterr Section boundary to the Section boundary to meet the Kasongha Section. It then turns and follows Kasongha Section boundary West and then South on to the starting point.

Ward 187
(Port Loko
District Council).

The ward consists of the following Sections: part of Matheng (Matheng), Kigbal, Mabombo, Mahera and Kurabai in Lokomasama Chiefdom and part of Foronkoya in Kaffu Bullum Chiefdom. It has projected population of 10,217 people.

This boundary starts from the Chiefdom boundary and follows the Mapiterr and Komrabai Section boundary North, and then East to continue along the Matheng Section boundary, to the Chiefdom boundary. Turning South, the boundary follows the Chiefdom boundary to join the Foronkoya and Lungi Sections boundary. SCHEDULE

**TONKOLILI DISTRICT: DESCRIPTION OF LOCAL COUNCIL
WARDS**

Ward 202 (Tonkolili District Council)	<i>Magburaka Township (Old Magburaka and Bo Road) Sections make up this ward. The ward has a projected population of 17, 618 people.</i>
Ward 203 (Tonkolili District Council)	<i>Lal-Lenken Section in the Kholifa Rowalla Chiefdom makes up this ward. It has a projected population of 8,950 people.</i> This ward is bounded by Rokel River in the West, in the North by Kafe Simiria Chiefdom, in the East by the Pampana River (Tane Chiefdom) and by Magburaka Town and Makump Section in the South.
Ward 204 (Tonkolili District Council)	<i>These Sections in Kholifa Rowalla Chiefdom make up this ward: Makump and Mayatha Sections. It has a projected population of 12,081 people.</i>

WARD

DESCRIPTION

Ward 205 (Tonkolili District Council)	This ward is bounded on the North by Magburaka Town and Lal-Lenken Sections, in the Southeast by the Pampana River (Tane Chiefdom) on the Northwest by the Rokel River, in West by Mamuntha Section and in the West by Mayossoh Section. <i>Mamuntha and Mayossoh Sections in Kholifa Rowalla Chiefdom make up this ward. It has a projected population of 12,535 people.</i> Starting from the Mamuntha and Mayatha Section boundaries, along the Rokel River the boundary follows the River in a generally Westerly direction to meet the Chiefdom boundary, where it continues along the Chiefdom boundary in a south-westerly direction and then an easterly direction along the Chiefdom boundary to meet Mayossoh Section. The boundary continues South along the Chiefdom boundary to the Pampana River. It further follows the Pampana River in a North-easterly direction onto the Mayatha and Mayossoh Section boundary. Here the boundary turns West along the Mayossoh Section boundary and then North along the Mayatha Section boundary to the Rokel River.
Ward 206 (Tonkolili District Council)	<i>The entire Kholifa Mabang Chiefdom makes up this ward. It has a projected population of 13,432 people.</i> This ward is bounded on the North by Kholifa Rowalla and Malal Mara Chiefdoms, in the East by Gbokolenken and Yoni Chiefdom, in the South by Yoni Chiefdom and Yoni and Malal Mara Chiefdoms in the West.
Ward 207 (Tonkolili District Council)	<i>The entire Malal Mara Chiefdom makes up this ward. This ward has a projected population of 15,150 people.</i> This ward is bounded on the North by Bombali District in the Southwest by Port Loko District, in the West by Kholifa Mabang Chiefdom and in the Southeast by Kholifa Rowalla Chiefdom.
Ward 208 (Tonkolili District Council)	<i>Mamaka and Mayira Sections in Yoni Chiefdom constitute this ward. It has a projected population 13,582 people.</i>

WARD	DESCRIPTION
Ward 209 (Tonkolili District Council)	<p>Starting from the Yoni and Malal Mara Chiefdom boundary along the Port Loko and Tonkolili District boundary, the ward boundary follows the District boundary Southwest on the Mayira Section. It then turns South along the Western boundary of Mayira Section on to the Moyamba District boundary with Tonkolili. It briefly runs East along the District boundary then turns North along the Mayira Section boundary to meet the Mamaka Section boundary. It then turns East then Northeast along the Mamaka Section boundary to the District boundary at the starting point.</p> <p>Macrogba and Petifu Upper Sections in Yoni Chiefdom make up this ward. This ward has a projected population of 11,354 people.</p> <p>Starting from the western edge of Macrogba Section along the Moyamba District boundary, the boundary follows the District boundary in a generally easterly direction to the eastern end of Petifu Upper Section. It then follows the Section boundary North, then West to continue in a generally westerly direction along the Macrogba Section boundary. It then turns South along the western boundary of Macrogba to the starting point.</p>
Ward 210 (Tonkolili District Council)	<p>Ronietta and Petifu-Lower Sections in Yoni Chiefdom make up this ward. It has a projected population of 10,355 people.</p> <p>This ward is bounded on the North by Port Loko District, in the East by Mayira Section, in the South by Moyamba District and by Malanchor and Makeni-Rokefula in the West.</p>
Ward 211 (Tonkolili District Council)	<p>The following Sections in Yoni Chiefdom constitute this ward Makeni Rokefula and Malanchor It has a projected population of 11,963 people.</p> <p>This ward is bounded on the North, and West by Port Loko District, in the South by Moyamba District and by Ronietta Section in East.</p>
Ward 212 (Tonkolili District Council)	<p>The entire Yoni Section in Yoni Chiefdom makes up this ward. It has a projected population of 9,842 people.</p> <p>This ward is bounded on the North-West by Mamaka Section, in the Northeast and Southeast by Gaindema Section and by Petifu Upper Section in Southwest.</p>

WARD	DESCRIPTION
Ward 213 (Tonkolili District Council)	<p>The entire Gaindema Section in Yoni Chiefdom makes up this ward. This ward has a projected population of 26,693 people.</p> <p>This ward is bounded by Malompor, Foindu and Masengbe Section in the East. In the South lies Moyamba District. It is also bordered by the Yoni Section in the West and by Kholifa Mabang and Gbonkolenken Chiefdoms in the North.</p>
Ward 214 (Tonkolili District Council)	<p>This ward consists of the following Sections in Yoni Chiefdom: Malompor, Foindu and Mase-ngbe. It has a projected population of 10,567 people.</p> <p>This ward is bounded on the Northwest by Gaindema Section; in the Southwest by Moyamba District and by the Pampana River in the East and Northeast.</p>
Ward 215 (Tonkolili District Council)	<p>The following Sections in Gbonkolenken Chiefdom constitute this ward: Lower Polie, Upper Polie, and Petifu Mayopoli. The ward has a projected population of 13,655 people.</p> <p>Starting for the Petifu Mayopoh Section boundary along the Nasi Stream, the boundary follows the stream generally West to the Pampana River, where it takes a southwesterly direction along the Pampana River to the western boundary of Lower Polie Section. Here, the boundary turns and runs East along the Sections boundaries of Lower and Upper Polie to meet the Petifu Mayopoh Section. It then takes a more northerly direction along the eastern boundary of Petifu Mayopoh to the Nasi Stream.</p>
Ward 216 (Tonkolili District Council)	<p>Lower Massakong, Massakong and Yiben Sections in Gbonkolenken Chiefdom constitute this ward. This ward has a projected population of 14,000 people.</p> <p>Starting from the Pampana River along the Lower Massakong Section, the boundary runs along the River South and Southeast to the confluence of the Teye River. It briefly follows the Teye River South to deviate from the River to take an easterly direction along the District boundary to the eastern end of Yiben Section. It then takes a Northerly direction along the Yiben and Upper Massakong Section boundaries to the Upper (Northern) boundary of</p>

WARD	DESCRIPTION
	Upper Massakong. It then turns West along the Lower and Upper Massakong Section boundaries to the Pampana River.
Ward 217 (Tonkolili District Council)	<i>The following Sections in Gbonkolenken Chiefdom make up this ward: Yele Manowo, Petifu Mayawa A and Petifu Mayawa B. This ward has a projected population of 13,654 people.</i> This ward is bordered by Mayeppoh Section in the North, by Upper Massakong and Yiben Sections in the West; in the South lies Moyamba and Bo Districts and in the East Bo District.
Ward 218 (Tonkolili District Council)	<i>Mayeppoh Section in Gbonkoleken Chiefdom makes up this ward. It has a projected population of 10,168 people.</i> This ward is bounded on the South by Upper Massakong, Yele Manowo and Petifu Mayawa A Sections, in the East by Kunike Barina Chiefdom, in the northeast by Tane Chiefdom, and in the West Petifu Mayeppoh Section.
Ward 219 (Tonkolili District Council)	<i>The following Sections in Tane Chiefdom constitute this ward: Mange-bana, Mapakie, and Matotoka. The ward has a projected population of 16,645 people.</i> The boundary starts from the Upper limits of Matotoka Sections along the Pampana River to follow the Pampana River Southwest to the confluence of the Nasi Stream. It then takes an easterly direction along the Nasi River (Stream) to turn North along the eastern boundary of Matotoka Section. It finally turns West along the Section boundary to the Pampana River.
Ward 220 (Tonkolili District Council)	<i>Ward 220 consists of the following Sections in Tane Chiefdom: Mathunkara, Maboboh Koray and Makrugbeh. It has a projected population of 7,374 people.</i> Starting from the Matotoka and Mathunkara Section boundary along the Pampana River (Chiefdom boundary). The ward boundary runs North along the River to meet the Kafe Simiria and Tane Chiefdom boundary. (Act No. 2 of 2002)

THE WARD BOUNDARIES (DELIMITATION) ORDER
(ELECTORAL LAWS ACT, 2002)

Short title.

IN EXERCISE of the Powers conferred upon it by Section 2 of the Electoral Laws Act, 2002 Act No. 2 of 2002) the Electoral Commission hereby makes the following order:—

FOR the purpose of electing the Councillors to the Moyamba District Council, the Moyamba District shall be divided into twenty-four wards as described in the schedule.

SCHEDULE**MOYAMBA DISTRICT COUNCIL: DESCRIPTION OF LOCAL COUNCIL WARDS**

WARD	DESCRIPTION
WARD 280 (Moyamba District)	<i>This ward is made up of Kovella, Kpangulgo, Tangbla, Maninga and To-Ndambalenga Sections in the Fakunya Chiefdom. It has a projected population of 12,772 people.</i> This ward is bounded on the North by Yoni Chiefdom (Tonkolili District); on the East by Kori Chiefdom, on the South by Fakoi, Kunyafoi and Songo Sections in the same Fakunya Chiefdom; and finally on the West by Kongbora Chiefdom.
Ward 281 (Moyamba District)	<i>This ward is made up of Fakoi, Kunyafoi, Songo, Njawa and Tullu Sections in the Fakunya Chiefdom. It has a projected population of 11,340 people.</i>

WARD

DESCRIPTION

The ward boundary runs along the Section boundaries between Fakoi, Kunyafoi, Songo and Kpanguglo, Tangbla, Maninga and To-Ndam-balenga Sections. It then joins the Kori and Fakunya Chiefdom boundaries, and flows along it South to connect and follow the Kaiyamba and Fakunya Chiefdom boundary North onto its intersection with Fakoi and Kpangulgo Section boundary where it started.

Ward 282 (Moyamba District)

This ward consists of Kpange, Angigboya, Waliwahun, Lungili and Mosoe Sections in the Kaiyamba Chiefdom. It has a projected population of 11,543 people.

The ward boundary starts at the intersection of Kongbora, Kaiyamba and Fakunya Chiefdom boundaries. It follows the Fakunya and Kaiyamba boundary, Southeast to join the Kori Chiefdom boundary. It then follows Dasse, Bagruwa and Kongbora Chiefdom boundaries, before turning East along the Section boundaries between Kpange, Angigboya, Lungili, Mosoe and those of Koromboya and Mendegelema, onto the starting point.

Ward 283 (Moyamba District)

This ward comprises Koromboya and Mendegelema Sections in the Kaiyamba Chiefdom with a projected population of 11,546 people.

This ward is bounded on the entire North and West by Kongbora Chiefdom and on the East by Mosoe and Lungili Sections. On the South, it is bounded by Kpange and Angigboya Sections.

Ward 284 (Moyamba District)

This ward consists entirely of the Kowa Chiefdom in the Moyamba District. It has a projected population of 7,648 people.

This ward is bounded on the North by Kamajei Chiefdom, on the East by Gbo Chiefdom (Bo District), on the South by Bumpe-Ngao Chiefdom (Bo District) and on the East by Dasse Chiefdom.

Ward 285 (Moyamba District)

This ward comprises the whole of Kamajei Chiefdom in the Moyamba District, with a projected population of 9,232 people.

This ward is bounded on the North by Gbonkolenken Chiefdom (Tonkolili District), on the East by Valunia Chiefdom (Bo District), on the South by Gbo (Bo District) and Kowa Chiefdoms. On the West it is bounded by Kori Chiefdom.

WARD

DESCRIPTION

WARD 286 (Moyamba District)

This ward is made up of the Western half of Kori Chiefdom. It is found in the West of the Taia River; with the River being the dividing line between the two wards in the Kori Chiefdom. It has a projected population of 13,272 people.

This ward boundary begins at the intersection of Yoni (Tonkolili), Fakunya and Kori Chiefdom boundaries. It runs Southeast along the Yoni boundary to meet the Taia River. It follows along the Taia River South to meet the Dasse boundary. It then leaves the Taia River to follow the Dasse boundary West to Kaiyamba boundary; then it joins and follows the Fakunya and Kori boundary to the starting point.

WARD 287 (Moyamba District)

This ward is the eastern half of Kori Chiefdom. It is found in the East of the Taia River, with a projected population of 15,816 people.

This ward is bounded on the North by Tonkolili District, on the East by the Kamajei Chiefdom, on the South by Dasse Chiefdom and on the West by the Taia River.

WARD 288 (Moyamba District)

This ward is made up of the entire Dasse Chiefdom only, and has a projected population of 11,750 people.

This ward is bounded on the North by Kori Chiefdom, on the East by Kamajei and Kowa Chiefdoms, respectively; on the South by Bumpe-Ngao (Bo District) and the Lower Banta Chiefdoms, and in the East by Bagruwa and Kaiyamba Chiefdoms.

WARD 289 (Moyamba District)

This ward comprises Ndendemoya, Mofindoh, Ngolala, Njagbahun, Wulbange and Mokotawa Sections in the Lower Banta Chiefdom. It has a projected population of 14,113 people.

This ward is bounded on the North by the Dasse Chiefdom, in the East by Bumpe-Ngao (Bo District), on the South by the Upper Banta Chiefdom, and on the West by Imperi (Bonthe) Chiefdom and Largoh and Gbangbatoke Sections in the Upper Banta Chiefdom.

WARD	DESCRIPTION
WARD 290 (Moyamba District)	<p><i>This ward is made up of Largoh, Gbangbatoke and Bengelloh Sections in the Lower Banta Chiefdom. It has a projected population of 13,918 people.</i></p> <p>This ward is bounded on the North and West by Bagruwa Chiefdom, on the South by Imperi Chiefdom (Bonthe District) and finally on the East by Ndendemoya, Mofindoh, Ngolala and Njagbahun Sections in the same Lower Banta Chiefdom.</p>
WARD 291 (Moyamba District)	<p><i>This ward is made up of the whole Upper Banta Chiefdom with a projected population of 8,878 people.</i></p> <p>This ward is bounded on the North by the Lower Banta Chiefdom (Ndendemoya and Wulbange Section), on the East by Bumpe-Ngao Chiefdom (Bo District), on the South by Jong Chiefdom (Bonthe District) and on the West by Imperi Chiefdom (Bonthe District).</p>
WARD 292 (Moyamba District)	<p><i>This ward is made up of Massah, Yengessa Bumpeh, Mokebbie, Saiama and Greema Sections in the Bumpeh Chiefdom. It has a projected population of 15,310 people.</i></p> <p>This ward is bounded on the North by Ribbi Chiefdom, on the East and South by Kongbora Chiefdom, and on the West by Moyemi, Moforay and Kassipoto Sections in the same Bumpeh Chiefdom.</p>
WARD 293 (Moyamba District)	<p><i>This ward is made up of the whole Kongbora Chiefdom, with a projected population of 12,234 people.</i></p> <p>This ward is bounded on the North by part of Ribbi and Yoni (Tonkolili District) Chiefdoms. On the East by Kaiyamba and Fakunya Chiefdoms, on the South by Bagruwa Chiefdom, and on the West by Bumpeh Chiefdom.</p>
WARD 294 (Moyamba District)	<p><i>This ward consists of Benkeh, Kigbai, Sembehun and Mani Sections in the Bagruwa Chiefdom, with a projected population of 10,531 people.</i></p> <p>This ward is bounded on the North by Kongbora and Kaiyamba Chiefdoms, on the East by Moseilolo,</p>

WARD	DESCRIPTION
WARD 295 (Moyamba District)	<p>Benduma and Mokassi Sections on the Bagruwa Chiefdom. On the South it is bounded by Imperi Chiefdom (Bonthe District) and the Atlantic Ocean. It is finally bounded by Kagboro and Timdale Chiefdoms.</p> <p><i>This ward consists of Moseilolo, Benduma, Mokassi, Kaway and Palima Sections in the Bagruwa Chiefdom and has a projected population of 9,976 people.</i></p> <p>It is bounded on the North by Kaiyamba Chiefdom, on the East by Dasse and Lower Banta Chiefdom; it is bounded on the South by the Lower Banta and on the East by Benkeh, Kigbai, and Sembehun Sections in the same Bagruwa Chiefdom.</p>
WARD 296 (Moyamba District)	<p><i>This ward is made up of Mofuss, Mambo, Moyah, Yondu and Rembe Sections in the Kagboro Chiefdom and has a projected population of 11,136 people.</i></p> <p>This ward is bounded on the North by Bumpeh Chiefdom; on the East it is bounded by Ngiehun, Mobehe and Konolor Sections in the Kagboro Chiefdom in the South. It is bounded by Mokebe and Tassoh Sections in the same Kagboro Chiefdom, on the West it is bounded by the Atlantic Ocean.</p>
WARD 297 (Moyamba District)	<p><i>This ward comprises Gubullay, Moyibu, Ngiehun, Mobehe, Mokobo, Mokandor, Konolor, Bendu B, Thumba B, Mopaileh Sections in Kagboro Chiefdom. FOR the purpose of electing the Councillors to the Pujehun District Council, the Pujehun District shall be divided into twenty-two wards as described in the schedule.

SCHEDULE

PUJEHUN DISTRICT COUNCIL: DESCRIPTION OF LOCAL COUNCIL
WARDS

WARD	DESCRIPTION
WARD 304 (Pujehun District Council)	<i>This ward is made up of the entire Sowa Chiefdom and has a projected population of 14,091 people.</i> This ward is bounded on the North by the Wonde Chiefdom (Bo District), on the East by the Langrama (Kenema District) and Pejeh (Futa Pejeh) Chiefdoms, on the South by the Panga Kabonde Chiefdom and on the West by the Malen Chiefdom.
WARD 305 (Pujehun District Council)	<i>This ward consists of Bakoi, Samba and Kabonde Sections in the Panga Kabonde Chiefdom. It has a projected population of 11,427 people.</i> The boundary of this ward begins at the intersection of the Kondogbe and Bakoi Section boundary on the Sowa and Panga Kabonde Chiefdom boundary. It follows the Kondogbe and Bakoi Section boundary South and connects the Panga Kabonde and Galliness Perri Chiefdom boundary. It follows this boundary Northeast and then turns North to follow the Pejeh boundary on to the Sowa boundary. It then runs along the Sowa and Panga Kabonde boundary on to the starting point.
WARD 306 (Pujehun District Council)	<i>This ward comprises the following Sections in the Panga Kabonde Chiefdom: Setti- Yakan day, Banyande, Pessekeh, Upper Kayiembra and Kondogbe. This ward has a projected population of 11,297 people.</i> This ward is bounded on the North by Sowa Chiefdom, on the East by Bakoi and Panga Sections, on the South by Panga Krim and Yakemu Kpukumu Krim (YKK) and on the West by Malen and Kwamebai Krim (Bonthe District).
WARD 307 (Pujehun District Council)	<i>This ward consists of Panga and Lower Kayiembra Sections in the Panga Kabonde Chiefdom. It has a projected population of 12,502 people.</i> This ward is bounded on the North by Upper Kayiembra, Pessekeh and Banyande Sections. In the East it is bounded by Jassende Ngoleima I Section (Kpaka Chiefdom), on the South by Mono Sakrim and on the West by Panga Krim and Yakemu Kpukumu Krim (YKK) Chiefdom.

WARD

DESCRIPTION

WARD 308 (Pujehun District Council)	<i>This ward is made up of Upper Pemba, Lower Pemba, Kakpanda and Kahaimoh Sections in the Malen Chiefdom. It has a projected population of 10,389 people.</i> This ward is bounded on the North by Tikonko and Jaiama Bongo Chiefdoms (Bo District), on the East by Wonde Chiefdom (Bo District) and Sowa Chiefdom, on the South it is bounded by Kemoh, Korwa and Taukunor Sections in the same Malen Chiefdom and on the West by Bagbo Chiefdom (Bo District).
WARD 309 (Pujehun District Council)	<i>This ward consists of Seijeila, Bahoin, Korwa, Kemoh and Taukunor Sections in the Malen of Chiefdom. This ward has a projected population 13,466 people.</i> This ward is bounded on the North by Upper Pemba and Lower Pemba, on the East and South by Panga Kabonde and the West by Bum Chiefdom (Bonthe District).
WARD 310 (Pujehun District Council)	<i>This ward is made up of almost the entire Yakemu Kpukumu Krim (YKK) Chiefdom except for two Sections Deyombo and Batowa. The ward has a projected population of 6,411 people.</i> This ward is bounded on the North by Panga Kabonde and Panga Krim Chiefdoms, on the East by Panga Kabonde and Mono Sakrim Chiefdom and on the West by Kwamebai Krim Chiefdom (Bonthe District).
WARD 311 (Pujehun District Council)	<i>This ward is made up of the entire Mano Sakrim Chiefdom and Deyombo and Batowa Sections in Yakemu Kpukumu Krim (YKK) Chiefdom. The ward has a projected population of 9,322 People.</i> This ward is bounded on the East by Kpaka Chiefdom, on the South by the Sea and on the West by Kwamebai Krim (Bonthe District) and on the North by part of Yakemu Kpukumu Krim (Sowonde, Seiwoh, Kpukumu, Bagollay and Kemo-wa Sections) and Panga Kabonde.

WARD	DESCRIPTION
WARD 312 (Pujehun District Council)	<i>This ward is made up of the whole of Panga Krim Chiefdom with a projected population of 7,183 people.</i> This ward is bounded by Panga Kabonde Yakemu Kpukumu Krim and Kpaka Chiefdoms.
WARD 313 (Pujehun District Council)	<i>This ward is made up of the entire Kpaka Chiefdom; except Jassende and Ngoleima II Sections. The ward has a projected population of 13,288 People.</i> This ward is bounded on the North by part of Panga Krim, on the East by Galliness Perri, on the South by the sea and on the West by Mono Sakrim and Panga Kabonde Chiefdoms.
WARD 314 (Pujehun District Council)	<i>This ward consists of Mewah, Kortugbu and Joya Sections in the Galliness Perri Chiefdom alongside Jassende Ngoleima Section in Kpaka Chiefdom. It has a projected population of 10,327 people.</i> This ward is bounded on the North by part of Panga Kabonde and Pejeh (Futa Pejeh) Chiefdoms, on the South by Dakona, Pelegbulor and Jakema I Sections in the same Galliness Perri Chiefdom. On the West it is bounded by Kpaka Chiefdom.
WARD 315 (Pujehun District Council)	<i>This ward comprises Dakona, Pelegbulor and Jakema I Sections in the Galliness Perri Chiefdom. This ward has a projected population of 10,466 people.</i> This ward is bounded on the North by Mewah, Kortugbu and Joya Sections in the same Galliness Perri Chiefdom, on the East by Mallah and Bondor Sections in the Galliness Perri and Part of Barri Chiefdom. On the South it is bounded by Kemokai, Dabeni, Jakema II and Gendema II Sections.
WARD 316 (Pujehun District Council)	<i>This ward comprises Mallah, Bondor, Kemokai, Dabeni, Jakema II Gendema II and Gendema I Sections in Galliness Perri Chiefdom. It has a projected population of 9,010 people.</i> This ward is bounded on the North by Jakema I, Pelegbulor and Dakona Sections in the same Galliness Perri, on the East by Barri and Soro Gbema, on the South and West by Kpaka Chiefdom.

WARD	DESCRIPTION
WARD 317 (Pujehun District Council)	<i>This Ward consists of the whole of Pejeh (Futa Pejeh) Chiefdom, it has a projected population of 11,161 People.</i> This ward is bounded on the North by Sowa and Langrama Chiefdom, on the East by Niawa (Kenema District) and Barri Chiefdoms; on the South by Galliness Perri and on the West by Panga Kabonde.
WARD 318 (Pujehun District Council)	<i>This ward is made up of Fallay Section only in the Barri Chiefdom and the ward has a projected population of 11,015 people.</i> It is bounded on the North by Niawa Chiefdom (Kenema District) and on the East by Jougba, Karjei and Tetima Sections within Barri Chiefdom. On the South it is bounded by Laimba Section in Barri Chiefdom. In the West it is bounded by part of Pejeh (Futa Pejeh) and Galliness Perri Chiefdoms.
WARD 319 (Pujehun District Council)	<i>This ward is made up of Laimba, Tetima, Karjei and Jougba Sections in Barri Chiefdom and has a projected population of 12,020 people.</i> This ward is bounded on the North and East by the Kenema and Pujehun District boundary, on the South by Dakona and Sonjour I Sections in Barri Chiefdom and on the West it is bounded by Fallay Section.
WARD 320 (Pujehun District Council)	<i>This ward is made up of Dakona, Sonjour I, Sonjour II and Malla Sections in Barri Chiefdom. The ward has a projected population of 11,787 people.</i> This ward is bounded on the North by Laimba Section in Barri Chiefdom; on the East by part of Kenema and Pujehun District boundary and Selimeh Section, on the South by Soro Gbema Chiefdom and on the West by Galliness Perri.
WARD 321 (Pujehun District Council)	<i>This ward consists of the whole of Selimeh Section in the Makpele Chiefdom. The ward has a projected population of 10,615 people</i> This ward is bounded on the North by Barri Chiefdom and Kenema District. On the East it is bounded by Samagbe Section and in the South by Seitua Section. On the West it is bounded by Barri

WARD 263	DESCRIPTION
	Chiefdom (Sonjour II Section).
WARD 322 (Pujehun District Council)	<i>This ward comprises Samagbe, Seitua and Kengo Sections in Makpele Chiefdom. It has a projected population of 13,084 people.</i> This ward boundary follows the Section boundary between Selimeh and Samagbe form Tunkia Chiefdom boundary (Kenema District boundary with Pujehun) to connect the Section boundary between Selimeh and Seitua on the Soro Gbema and Makpele boundary. It runs along this Soro Gbema and Makpele boundary onto the international boundary. It then follows the international boundary to the starting point.
WARD 323 (Pujehun District Council)	<i>This ward consists of Moiwebu, Massaquoi I, Kengo, Zombo and Zoker II Sections in Soro Gbema Chiefdom. This ward has a projected population of 10,025 people.</i> This ward is bounded on the North by Barri and Makpele Chiefdoms, on the East by Zoker I Section and on the South by Massaquoi II Sections and on the West by Galliness Perri Chiefdom.
WARD 324 (Pujehun District Council)	<i>This ward consists of Zoker I and Kiazombo Sections in the Soro Gbema Chiefdom and has a projected population of 10,257 people.</i> This ward is bounded on the North by Zoker II Section in Soro Gbema and Makpele Chiefdoms. On the East it is bounded by the international boundary. On the South it is bounded by Kemokai Section in Soro Gbema Chiefdom. On the West it is bounded by Kengo and Massaquoi I in Soro Gbema Chiefdom.
WARD 325 (Pujehun District Council)	<i>This ward is made up of Mano River, Kemokai and Massaquoi II Sections in the Soro Gbema Chiefdom. The ward has a projected</i>

WARD	DESCRIPTION
	<i>population of 14,248 people.</i> This ward is bounded on the North by Moiwebu and Zoker I Sections in Soro Gbema Chiefdom. On the East and South it is bounded by the international boundary and on the West by Kpaka Chiefdom.

(Act No. 2 of 2002)*

THE WARD BOUNDARIES (DELIMITATION) ORDER
(ELECTORAL LAWS ACT, 2002)

Short title.

IN EXERCISE of the Powers conferred upon it by Section 2 of the Electoral Laws Act, 2002 Act No. 2 of 2002) the Electoral Commission hereby makes the following order:–

FOR the purpose of electing the Councillors to the Western Area Rural District Council, the Western Area Rural District shall be divided into twenty wards as described in the schedule.

SCHEDULE

WESTERN AREA RURAL DISTRICT COUNCIL: DESCRIPTION OF LOCAL COUNCIL WARDS

WARD	DESCRIPTION
Ward 326 (Western Rural District Council)	<i>This ward consists of Leicester, Gloucester, Regent, Bathurst and Charlotte village Area. The ward has a projected population of 9,586 people.</i> The boundary begins from the Bridge over the Bambara Stream on Mount

WARD

DESCRIPTION

Aureol Road and Barhan Road. From the Bridge it follows the boundary between F.B.C Land and the Freetown City running by the hills in a northerly direction. (i.e. the Freetown City boundary), up to the spur opposite Bombay Street (Upper). From here it moves South along the same Freetown City boundary with mountain Rural District along the hills passing by Wellington Bassah. The boundary then turns Southwest along the hills to turn and continues Northwest through the Peninsular hills via the Sugar Loaf Mountain. From here it joins the Malama and Kamayama (Constituency western urban) boundary that is the forest reserve boundary at the fringe of Hill Station. It continues along this boundary Northwest onto the Freetown City boundary between Regent and Western Area urban. From here it moves Southeast along the slope serving as boundary between Regent and New England. Continues Northeast along the same slope between George Brook and Dwarzak communities and Leicester. It moves Northwest crossing the George Brook Stream and moves along the hills between Leicester and George Brook\Dwarzak – the summit of the hill. From the summit it moves Northeast down the valley passing by Messr's Sheku Kamara's, Unisa Kamara's onto Nathaniel Margai's houses (all in Western Urban). It then crosses Leicester Road to join the valley and Bambara spring and continues down stream onto the Mount Aureol Road.

Ward 327
(Western Rural
District Council)

The following localities within the Hastings Village area constitute this ward; New Site Grafton, Grafton II, Scout Camp, Fullah Town, New Susu Town, New Yams farm, Sima Town, Amputee Camp, Congo and Pawpaw. It has a projected population of 11,748 people.

The boundary starts from the Orugu River to run South passing East of Grafton II to join the road and continue along the road a short while, then leaves the road along the same direction. It then turns West passing South of Salaam Islamic Primary School and West of Hastings. It then turns North passing East of Hastings and West of Amputee Camp to the main road. The boundary takes a turning to

WARD

DESCRIPTION

the Southeast along the road to pass Depea Water where the boundary then turns South to follow the boundary between Hastings and Waterloo Village Areas down to the Reserve Forest. It then turns and runs along the hills Northwest then turns Northeast to follow the boundary between Hastings and Mountain Rural District onto the Orugu River. It finally turns Southeast to follow the River to the starting point.

Ward 328
(Western Rural
District Council)

This ward consists of the following localities in the Hastings Village Area, Grafton I, Kossah Town I, Kossah Town II and Hastings. It has a projected population of 8,115 people.

The ward boundary starts from the Orugu River to run South and runs between Grafton I and Grafton II to meet the road. It continues along the road for a short distance then continues South to turn East after the Salaam Islamic Primary School to continue along the southern edge of Hastings. It then turns North to pass between Hastings and the Amputee Camp and on to the main highway. The boundary then takes a Westerly and Northerly direction along the main road to the Orugu Stream; it finally turns West and runs along the River to the starting point.

Ward 329
(Western Rural
District Council)
