From here it moves southward along the same Freetown City boundary with mountain Rural District along the hills passing by Wellington Bassah, the Porcupine Bidge and then joins the Orugu stream. It follows the Orugu stream in a southeasterly direction onto the Sierra Leone/Bunce River. It follows the bank of the Bunce river south eastward via the Waterloo creek, Madonke creek and follows the unlo River southward onto the Marshy land back of the Waterloo Airfield around the oil palm plantation; then bends westward and crosses the Waterloo creek. From the creek it moves northward via the shrubs and joins Quay Street in Waterloo. From Quay Street it joins and follows Passonage Street after crossing Evert Street. From Passonage Street it runs along Frey Street onto the Freetown-Waterloo Highway. Continues with the Freetown-Waterloo High Way onto the bridge going to Lumpa over the Agbakina Stream. It then follows the stream slightly southward and then continues along the valley back of the Tombo Lorry Park and then joins
------------------	---

the Tombo-Peninsula Road onto ABB Line. Deviates from Tombo-Peninsula Road to follow ABB Line, through York Road onto the Swamp at the edge of the Benguema Training Centre. It runs in a westerly direction passing by the edge of Benguema Training Center and turns Southward moving by the Jagba Hill and turns north westward moving along a small stream between Picket and Jaba Hills. It continues along this stream to a point and deviates from it and continues north westward through the Peninsula Hills via the Sugar Loaf Mountain. From here it joins the Malama/Kamayama constituency boundary-that is the forest reserve boundary at the fringe of Hill Station. It continues along this boundary northwestward onto the Freetown City boundary between Regent and Western Area Urban. From here it moves southeastward along the slope serving as boundary between Regent and New England. Then continues north eastward along the same slope between George Brook/Dworzak communities and Leicester. It moves northwest crossing the George Brook stream and moves along the hills between Leicester and George Brook Dworzak-the summit of the hill. From the summit it moves northeastward down the valley passing by Messer's Sheku Kamara's. Unisa Kamara's onto Nathaniel Magai's Houses (all in Constituency?) It then crosses Leicester Road to join the valley and hence the Bambara spring and continue down stream onto Mount Aureol Road.

Western Rural Constituency 2 *This Constituency is comprised of Kent, York, Hamilton, Goderich/Adonkia/Milton Margai, Goderich Funkia and Gbendembu Sections.*

(NEC Const. 093) The constituency boundary begins from the coastline, moves eastward following the stream/river that serves as the boundary between York Rural and Western Area Urban. It follows this stream onto the bridge, then crosses the bridge and runs along the swamp/mangrove between Juba and Gbendembu. It follows along these mangroves

and then joins the Peninsular Hills, at the boundary of Malama/Kamayama (Constituency 42). It follows through the Peninsular Hills via the Sugar Loaf and then flows through the valleys between these ridges in a southeasterly direction and joins a small stream between Picket Hill and Jagba Hill. It runs along this stream south eastward for about 2 kilometres and then turns sharply southward along the mountain ridges until it crosses the main Peninsula Road at a point between Kissi Town and PWD Compound right onto the coastline. It then follows the coastline southwestward to a point after Cape Shilling then heads northward until it reaches its starting point.

The following island areas also form part of this constituency: - Mes-Meheux, Ricketts, Banana and Doubling Islands.

Western Rural Constituency 3 *This Constituency is made up of Sittia Tombo, Campbell Town village Area, and parts of Benguema and Waterloo Village Area Sections.*

(NEC Const. 094) The constituency boundary starts on the Waterloo-Masiaka Highway on the bridge over the Agbakina Stream. It follows the Waterloo-Masiaka Highway on to Terina Street Junction. It then deviates from the Highway and joins Terina Street. It follows Terina Street onto Cole Street. It continues along Cole Street onto the Waterloo-Masiaka Highway again by new London Road. Then it follows straight onto the Stream/Swamp bordering Koya Rural and Waterloo Rural. It moves along this stream/swamp southward onto the coastline via the Calmont Creek. It follows the coastline westward onto Kissi Town. It then heads northward crossing the Peninsular Road between P.W.D, Compound and Kissy Town. It then continues along the mountain ridges northward for about some 2 Kilometers east of the Picket Hill and continues northward close by Jagba Hill until it reaches slightly opposite Benguema Training Centre. It then deviates from the hills and bends east by the plains at the fringes of Benguema Training Center onto the Swamp. Then it heads northward to join York Road; continues along the York Road onto ABB Line Junction.

It then follows the ABB Line onto the main Peninsular Road. It follows the Peninsular Road northward onto the Valley after the market (Tombo Lorry Park). It then bends eastward following the valley onto the Agbakina Stream. It moves along the stream onto the bridge on the highway, where it terminates.

**Western
Rural
Constituency
4**

This Constituency is made up of the Fabaina Area, Magbaft, Newton, Songo, Madonkeh, Malambay and part of Waterloo Sections.

(NEC Const.
095)

The boundary begins on the bridge over Agbakina Stream on the Waterloo Freetown Highway. It continues northwestward along the Freetown Waterloo Highway onto Hartshon Street junction where it bends and continues along it (Hartshon St.). From Hartshon Street it joins and follows Fry Street and then deviates from Fry Street and joins Pasonage Street. It continues along Pasonage Street until it crosses Evert Street and joins Quay Street. It continues along Quay Street onto the end of town. From here it moves eastward via the shrubs onto the Waterloo Creek. It flows along the Marshy Land back of the Waterloo Air field and the oil palm plantation. Then joins the Unlo Stream onto the Madonken Creek. It then continues eastward along the Madonken Creek and back of Madonken Village along the boundary between Koya Rural District and Koya Chiefdom in Port Loko District. It follows this same boundary onto Songo Town following the Songo Colony and Songo Koya boundary. Then moves slightly eastward into the swamp where it joins and follows southward along the Kagala Stream right down to the Ribbi River. It follows along the Ribbi River westward onto the Calmont Creek. It follows Calmont Creek northward running along the stream between Campbell Town and Malambay that drain into the Ribbi River via the Calmont Creek. It then runs along this river and joins the Swamp that leads to the main Waterloo/Masiaka Highway. It joins the highway by this swamp.

and continues westward onto Lumpa. In Lumpa it takes Cole Street after leaving the Highway. It continues along Cole Street onto Terina Street and then onto the Highway, and then moves along the Highway towards Freetown onto the bridge over the Agbakina Stream, which is the starting point.

WESTERN URBAN DESCRIPTION OF CONSTITUENCIES

*Name and Code
of Constituency*

Description

Western Urban Constituency 1 *This Constituency consists of the following sections:
Allen Town I and 2, Mayen-kineh and part of Pamuronko.*

(NEC Const. 096) The boundary starts on the Orugu Bridge on the Freetown -Waterloo Highway; then westerly along the Orugu River and then north westward on to the valley (in the peninsular), which is the boundary between Mountain Rural District and Allen Town; then follows this valley northward on to the Robis Water, then follows the Robis Water east and north eastward on to the Main Bai Bureh Road; then follows Bai Bureh Road South eastward on to Raymond Street Junction in Pamuronko section; then deviates from Bai Bureh Road and follows Raymond Street on to the Coastline; then runs along the coastline south eastward onto the Orugu River/Stream; then continues along the Orugu River/ Stream Southward onto the Orugu Bridge from where it commences.

Western Urban Constituency 2 *This Constituency is made up of the following sections:- Robis, Industrial Estate, Tasso Island, Old Wharf, and parts of Pamuronko and Bottom Oku.*

(NEC Const. 097) The constituency boundary begins from the intersection of Campbell Street and Bai Bureh Road and runs along Campbell Street north eastward on to the Coastline. It then turns in a southeasterly direction and follows the water mark (coastline) on to Raymond Street in Pamuranko (Calaba Town). The boundary then takes a turn and follows Raymond Street on to the junction of Raymond Street at Bai Bureh Road. On reaching Bai Bureh Road, it takes a northwesterly direction along Bai Bureh Road on to the Bridge over Robis Water where it deviates from Bai Bureh Road to follow the Robis Water in a southwesterly direction. It continues along the Robis Water up hill on to the hills where it takes a turning and follows the boundary with Western Rural constituency No. 1 along the ridges on to the valley of the indefinite stream joining the Cemetery/Blue water. It then turns and runs along the valley, then the indefinite stream on to Cemetery Blue water: eastwards crosses the main Motor Road (Old Road) on to Bai Bureh Road. It finally deviates from the Cemetery/Blue Water and runs along Bai Bureh Road north westwards on to the intersection of Bai Bureh Road and Campbell Street. This constituency also includes Tasso Island.

Western Urban Constituency 3 *This Constituency comprises of Congo Water 1 and 2, and parts of Kuntoloh and Bottom Oku sections.*

(NEC Const. 098) The boundary starts at the junction of John Lane on Main Motor Road (Old Road), from this junction it follows the drainage stream eastward into the mangroves on the bank of the Sierra Leone River after crossing the bridge on Bai Bureh Road. It then runs south eastwards along

these mangroves onto the drainage opposite Campbell Street in Wellington. It then joins Campbell Street via the Mangroves and continues westward along Campbell Street onto Bai Bureh Road. It follows Bai Bureh Road south eastwards right onto the bridge/culvert over Cemetery/Blue Water. From here it deviates from Bai Bureh Road and follows Cemetery/Blue Water westward onto the hills/boundary between Western Rural and East 111. It then turns northward by the hills and joins the valley leading to Kuntoloh Water. It follows Kuntoloh Water north eastward up to the fence at the bank of Life Line Vocational Institute. It follows the fence and crosses Teneba Road and runs along the valley/footpath southward passing by the Community Primary School and then joins John Lane. Follows John Lane eastward onto Main Motor Road (old Road) where it started.

Western Urban Constituency 4 *This Constituency consists of Portee, Rokupa and part of Jalloh Terrace and Kuntoloh/ Approved School Section.*

(NEC Const. 099) The boundary starts at Damson Bridge on Main Motor Road (Old Road). It follows the Damson Water northeastward onto the coastline. From here it runs southeastward along the coastline onto the stream/valley in the Mangroves opposite John Lane. It follows this stream/valley via the mangroves westward onto the bridge on Bai Bureh Road. It crosses the bridge still moving along the stream onto Old Road at the junction of John Lane. It follows John Lane westward and then turns sharply northward by the Community Primary School and follows the footpath down the valley onto the fence of Life Line by Tenaba Road. Follows this fence onto Kuntoloh Water and runs along it (Kuntoloh Water) south westward onto Mr. Peter Sesay's house where it joins the valley north westwards by No. 38 and 39 Upper Jalloh Terrace. It continues along the footpath up the hills after crossing the Main Jalloh Terrace opposite the field north westward.

It continues along this footpath right onto the Mess-Mess Water. It then joins the Mess-Mess Water and follows it northeastward by the Methodist Boys High School on to the bridge over the Mess-Mess Water near the Cemetery on Old Road. It follows Old Road south eastward onto the Damson Bridge on the same Old Road where it originally started.

Western Urban Constituency 5 *This Constituency consists of Low Cost Housing Estate, Kissy Mess-Mess, Thunder Hill and parts of Shell und Jalloh Terrace,*

(NEC Const. 100) The boundary starts on the bridge over Cow Water on the Main Bai Bureh Road by Richard Allen High School. It follows Bai Bureh Road south eastward onto the bridge over Mess-Mess Water, it deviates from Bai Bureh Road to follow the Mess-Mess Water southward right down to the junction of a foot path running between Numbers 41E and 59 Jalloh Terrace. It then leaves the Mess-Mess Water to run along this footpath up the hills, passing by the field and crossing the Main Jalloh Terrace by No 33D Jalloh Terrace opposite the field. It continues along the valley by No 38, 39 upper Nicole Terrace and continues by Mr. Peter Sesay's House to join the Kuntoloh Water. It follows the Kuntoloh Water southward right down to the valley of the Mess-Mess Water. It follows along the boundary between Mountain Rural (Constituency 4101) in a northwesterly direction up the Peninsular Hills onto the valley of the Cow Water stream. It then follows the Cow Water stream northeastward onto the slope at the back of Late Haja Sahid's Compound - number 3 First Street. It runs along the slope back of this compound and joins Black Hall Road. It runs along Black Hall Road onto Hopewell Street Junction by Black Hall Road. It deviates from Black Hall Road and follows Hope Well Street eastward onto Winter Street Junction by Hope Well Street.

The boundary then continues northward along Winter Street right onto Kissy Bye Pass Road. It follows Kissy Bye Pass Road north westward and crosses the intersection of Passonage Street onto the bridge over Ducks Water. It follows Ducks Water north eastward onto the confluence of Cow Water where it continues along Cow Water north eastward passing by the back of Richard Allen High School onto-the bridge on Main Bai Bureh Road where it commences.

Western Urban Constituency 6 *This Constituency consists of Grass Field, Kissy Bye Pass II and parts of Kissy Bye Pass I and Shell Sections.*

(NEC Const. 101) The boundary starts at the intersection of Dock Yard Road (Ferry Junction) on the Main Bai Bureh Road. It follows the Dock Yard Road crossing King George Avenue right onto the intersection of Kelsey Road and Kelsey Lane. It follows Kelsey Lane eastward on to the Coastline (Cline Bay). It follows the coastline in an Easterly direction on to the Wellington Creek where it runs in a Southeasterly direction along the same coast onto the Dam Sea Water /Stream. It follows the Dam Sea Water southwest ward onto the Dam Sea Bridge on City Road (Old Road). It follows the City Road North westward onto the small bridge over the Mess-Mess water after the Cemetery. It then deviates from the City Road and follows the Mess-Mess Water Northeast wards onto Bai Bureh Road. It runs along Bai Bureh Road north westward onto the bridge over the Cow Water by Richard Allen High School. The boundary then follows the Cow Water southward and Join Ducks Water and runs along it onto the bridge over Ducks Water on Kissy Bye Pass Road. It runs along Kissy Bye Pass Road south eastward crossing the intersection of Pasonage Street onto Winter Street Junction. It follows Winter Street southward onto Hopewell Street. It follows Hopewell Street onto Black Hall Road. It then follows Black Hall Road northward onto Africanus Road Junction. It follows Africanus Road crossing Kissy Bye Pass Road

onto Bai Bureh Road opposite St Helena Secondary School. It then continues along Bai Bureh Road westward onto the intersection of Dock Yard Road (Ferry Junction), which is the point of commencement.

Western Urban Constituency 7 *This Constituency consists of Kissy Mental, Mamba Ridge I, Mamba Ridge II, parts of Kissy Bye Pass and Kissy Brook Sections.*

(NEC Const. 102) The constituency boundary starts from the culvert over the Granville Brook/Bai Bureh Road (By Bomeh). It follows the Granville Brook north and northeastward onto the coastline (Cline Bay). It then follows the coastline southwards onto Kesley Lane. It joins Kesley Lane, runs along it onto the junction of Kesley Road. It follows Kesley Road onto Dock Yard Road after crossing King George Avenue and joins Bai Bureh Road at the intersection of Dock Yard Road (Ferry junction). It then runs along Bai Bureh Road eastward onto the intersection of Africanus Road. It deviates from Bai Bureh Road to follow Africanus Road southwards back of St. Helena Secondary School, moves westwards along the same Africanus Road crossing Kissy Bye Pass Road and joins Black Hall Road. It follows Black Hall Road south eastward onto Cow Water via the slope back of Late Haja Sahid's Compound of No. 3 First Street. It then follows the Cow Water onto the boundary between Mountain Rural (in constituency 4101) and East III. It runs along this boundary onto Granville Brook. It leaves the Granville Brook and runs along the drainage eastwards, used as footpath running in front of Mr. Hamid Bangura, Saidu Turay, Mammy Yaelie and Suma Thonko's Houses, which joins the track leading to the Kamanda Farm Quarry. It then follows this track northward passing by Chief Bundu's House, the Rock Out Crop and the All National Assembly Primary School. From this school it runs along the valley northward, which is also a footpath, joins the Mondeyama Lane, and follows it northwards onto

Black Hall Road. It follows Black Hall Road slightly westward onto Granville Brook. It runs along the Granville Brook northward onto Bai Bureh Road, the starting point.

Western Urban Constituency 8 *This Constituency is made up of Cline Town, Kissy Brook, Coconut Farm/Ashobi Corner, Quarry and part of Fourah Bay Road Sections.*

(NEC Const. 103) The boundary begins at the intersection of Lower Savage Square and Fourah Bay Road. It follows Lower Savage Square northward onto the coastline. Moves eastward by the coast at the back of the Port Area right down the Cline Bay where it turns southwestward through the Mangroves to join the Granville Brook. It follows the Granville Brook southward onto Black Hall Road where it deviates and moves along Black Hall Road onto Mondeyama Lane. It then follows Mondeyama Lane southwards onto the footpath along the valley that leads to the All National Assembly Primary School. It still continues in the same direction passing by the Rock Out Crop and Chief Bundu's house. From here it bends westward by the drainage/foot path passing in front of Mr. Suma Thonko, Mammy Yaeli, Saidu Turay and Mr. Hamid Banfura's houses and again joins the Granville Brook; follows a bit southward along the Granville Brook and heads north westward alongside the hills serving as boundary between Fourah Bay College and Freetown, It further moves along this same boundary in the same direction (northwest) onto the footbridge over the small stream by Wellesley Street. It then follows the footpath northeastward to join Quarry Road. From here it follows Quarry Road to a point and turns in a northerly direction crossing off Manfred Lane between No. 1 and 11c off Manfred Lane and Passes between Road Transport Department and Kissy Road Cemetery and joins Kennedy Street across Kissy Road. Follows Kennedy Street onto Fourah Bay Road. It follows Fourah Bay Road westward onto the intersection of Lower Savage Square the original starting point.

Western Urban Constituency 9 *This Constituency is made up of Ginger Hall, Kossoh Town and parts of Fourah Bay Road Sections.*

(NEC Const. 104) The boundary starts at the junction of Bombay Street on Kissy Road. It follows Bombay Street northward right onto the coastline around Moa Wharf. It follows the coastline northeastward at the back of PCMH and turns southward at the back of Bishop Johnson School to follow Lower Savage Square. It moves along Lower Savage Square onto Fourah Bay Road. It moves along Fourah Bay Road eastward onto Kennedy Street Junction. It then moves along Kennedy Street to Kissy Road. It crosses Kissy Road and passes between the Kissy Road Cemetery and Road Transport Department crossing off Manfred Lane onto Quarry Road: moves along Quarry Road onto the footpath that leads to the stream and crosses the stream via the footbridge and joins Wellesley Street. It follows Wellesley Street onto Bethan Lane, Follows Bethan Lane up to upper Easton Street junction where it deviates and follows Upper Easton Street onto Edward Lane. It then follows Edward Lane onto Lake Lane and from Lake Lane onto Will Street. Follows Will Street northward to Kissy Road. Then follows Kissy Road westward to Bombay Street junction where it terminates,

Western Urban Constituency 10 *This Constituency comprises of Mount Aureol Terrace, Bombay, Foulah Town and Magazine Sections.*

(NEC Const. 105) The boundary begins on the bridge/culvert over Nicols Brook on Sani Abacha Street by Eastern Police. It follows Nicols Brook northward onto the coastline. It runs along the coast eastward onto Lower Bombay Street. It then leaves the coast and follows Lower Bombay Street southward onto Kissy Road. It follows Kissy Road south eastward to Will Street junction and then follows Will Street southward onto Lake Street. Follows Lake Street onto Edmond Lane and follows

Edmond Lane onto Upper Easton Street. Follows upper Easton Street south eastward to Bethan Lane. Moves along Bethan Lane on to Wellesley Street and continues along Wellesley Street onto the footbridge. It then moves along the stream southward onto the boundary between Fourah Bay College and Freetown. It moves along this boundary up the hill northward and turns sharply to follow a southwesterly direction along the same Freetown City boundary. It follows this boundary southwestward onto the bridge over the Bambara Spring onto Nicols Brook. It continues along Nicols Brook onto the bridge over Nicols Brook to Sani Abacha Street where it terminates

Western Urban Constituency 11 *This Constituency is comprised of Tower Hill, Mountain Regent, Albert Academy, Sorie Town and part of Susan's Bay sections.*

(NEC Const. 106) The constituency boundary starts from the Cotton Tree Round - about and moves along Siaka Stevens Street north eastward onto the junction of Howe Street. It then deviates from Siaka Stevens Street and runs along Howe Street in an easterly direction onto the cross roads of Circular Road, Rokel Street, Howe street and Goderich Street. It then takes a bend to pass behind the house facing Goderich Street and continues behind the King Memorial United Methodist Church onto Regent Road. It then takes a short turn to Free Street where it deviates from Regent Road and moves along Free Street to Upper East Street and then northward to Sani Abacha Street. It then runs along Sani Abacha Street eastward to Malama Thomas Street. It then deviates from Sani Abacha Street and moves along Malama Thomas Street north westward on to East Brook Street in an easterly direction onto between No 14 and 16 East Brook Street. It then passes northerly between Nos. 14 and 16 East Brook Street to meet Fisher Street, it moves northeastward along Fisher Street onto No. 16 Fisher Street where it turns northward, passing between Nos 16 and 18 onto the wharf Area. It then continues northward to the coastline (water mark passing by No IJ Fisher lane). It then continues in a northeasterly

direction along the watermark close to Mabella Point where the Nicols Brook enters the sea. It then turns and follow Nicols Brook south and hence the Bambara Spring. It continues along the Bambara Streams and then the valley on to Leicester Road The boundary then crosses Leicester Road by the property of Mr. and Mrs. Kabba and continues along the valley and thence along the intermittent stream / indefinite stream in a westerly direction joining the Samba Gutter by United Muslim Association Secondary School (UMASS) and onto Pademba Road. It then turns to take a northern direction along Pademba Road onto the Cotton Tree where it terminates.

This Constituency comprises of KrooTown, Sanders Brook, Connaught Hospital Area and part of Susan's Bay section.

**Western
Urban
Constituency
12**

**(NEC Const.
107)**

The constituency boundary starts from Kroo Bay at the point where the Alligator River enters the sea and runs eastward along the coast passing King Jimmy Wharf, Government wharf, Falcon Bridge, Susan's Bay onto Big Wharf to No 1J Fisher Street. The boundary then turns southward then passes between No, 16 and 18 Fisher Street where it turns and follows Fisher Street westward onto No. 25 Fisher Street; here the Constituency boundary turns south towards Brook Street passing between Nos. 14 and 16 East Brook Street. It then follows Brook Street onto Malama Thomas Street where it takes a southwestern direction along Malama Thomas Street to Sani Abacha Street. The Constituency boundary continues along Sani Abacha Street in a westerly direction to ECOWAS Street where it turns to follow ECOWAS Street crossing Back Street; Short Street and on to Free Street where it turns along Free Street to Regent Road on to King Memorial United Methodist Church,

it runs by the back of the church and back of the houses along Goderich Street on to the point where Circular Road meets with Rokel, Goderich and Howe Streets. The boundary then takes a north easterly direction along Howe Street to Siaka Stevens Street where it deviates to follow Siaka Stevens Street south westward onto the Cotton Tree. The boundary then takes a southerly direction along Pademba Road to its junction with Campbell Street in a north westerly direction to Saint John Round about. It then turns west to follow Savage Street onto the bridge over the Alligator River. The boundary then turns and follows the Alligator River north onto its mouth at Kroo Bay where the boundary terminates.

**Western
Urban
Constituency
13**

This Constituency is made up of Kingtom, Ascension Town, Brookfields, Congo Town and part of Tengbeh Town sections.

**(NEC Const.
108)**

The constituency boundary starts from the mouth of Banana Water at Congo Town to run in an easterly direction along the coastline (water mark) in King Tom and then north along the coastline to form an arc over King Tom to the mouth of the Alligator River at Kroo Bay. The boundary then turns and takes a southerly direction along the Alligator River on the Savage Street; here the boundary turns east along Savage Street to Saint John. The boundary then turns to follow old Railway Line in a southwesterly direction on the Bridge over Congo Valley River. It continues along the same Old Railway Line to join Wilberforce Area where it deviates from Old Railway Line to follow Wilberforce Road on to No 29A It then turns north towards No29^c (part of the Constituency) onto Kposowa Memorial Primary School. Here, the boundary turns and follows Off Street in a westerly direction onto white Tik, where it turns north towards Pa Talib's House to join Nelson Lane. The Constituency boundary then turns and follows along Nelson Lane in a north-westerly direction

joining the Foot Path by No 6A and along the Foot Path to No 6E and along the Foot Path to No 10E It continues along the foot path joining Ben Kanu's Drive opposite Dr Bayoh's House. It then follows Ben Kanu's Drive onto Old Railway Line towards Wilberforce crossing King Street onto Wood Land Estate. It then deviates from Old Railway Line to follow Woodland Estale northward onto New Signal Hill Road where it turns towards Congo Cross Round about. The Constituency boundary then turns to follow the Main Road towards Murray Town on to Banana Water by the Filling Station. Here the boundary turns north and follow the Banana Water Stream on to its mouth where the boundary originally starts.

Western Urban Constituency 14 *This Constituency consists of George Brook (Dworzack), Sumalia Town, New England Hanneson, and Brookfields Congo Market Sections.*

(NEC Const. 109) The constituency boundary starts from the Saint John's round about to follow Campbell Street in a southeasterly direction on to its junction at Pademba Road. The boundary crosses Pademba Road to join the Samba Gutter and follows the Stream Gutter), to the United Muslim Association Secondary School (UMASS) where it follows the southern tributary and continues along this stream in the same southeasterly direction up the hill. The boundary continues along the intermittent stream and then along the valley onto the Main Leicester Road, it joins the Main Road to Mr. and Mrs. Kabba's property. Here the boundary turns to follow Leicester Road towards Leicester on to Mr. Nathaniel Margai's House. The boundary then deviates from the road and turns to take a southwesterly direction to pass by the Houses of Messer's Unisa Kamara and Sheku Kamara, and on to the valley.

It continues up the hill in the same direction on to the summit of the hill where it takes a southeasterly direction down the hill passing by Mr. Abu's House on the George Brook Stream. The boundary crosses the stream and takes a southerly direction across the slopes of the hill along the boundary between Leicester and George Brook Communities. The boundary further takes a south western and then a north western direction, crosses the slopes of the hill including the entire George Brook Communities onto New England. At New England the boundary turns north just above the source of the Spring Water (*by* Off Pratt Street) and continues down the hill to join the path and then off Pratt Street. The boundary Continues northward down the hill to Hanneson Street on to the junction of Hanneson Street at Jomo Kenyatta Road. The boundary then turns and runs along Jomo Kenyatta Road eastward on to the western end of Special Court where it turns north along Willoughby Lane 4 onto Ogoo Lane 1. The boundary then follows Ogoo Lane 1 in a northwesterly and then northerly direction onto Bass Street. It then turns right (east) along Bass Street to Morgan Lane. The boundary further takes a northern direction along Morgan Lane, joins Adesanyah Street and continues along Adesanyah Street to Old Railway Line. The boundary finally takes a turn and moves along old Railway Line towards Saint John Round about where the boundary originally starts.

Western Urban Constituency 15 *This Constituency is made up of Wilberforce, Brook Fields Red Pump, Hill Station, New England, Hill Cut and part of Tengbe Town.*

(NEC Const. 110) The boundary of this Constituency starts at the junction of Hanneson Street on Jomo Kenyatta Road. It follows Hanneson Street in a southerly direction, from here it joins off Pratt Street and continues along it in the same direction (south) onto the source of the Spring Water. After the Spring Water it runs straight up the hills and joins the boundary between Mountain Rural, Regent (Freetown City boundary) in a southwesterly direction. From here it follows the forest reserve boundary at the fringes of Hill Station onto Regent Road. It crosses Regent Road

southward and continues along the Forest Reserve boundary, bends westward still moving with the forest reserve boundary until it meets the Guma Valley Water Pipes which serves as the boundary Freetown Malama /Kamayama (Constituency 4217) and Hill Station. It continues westward alongside these Pipe Lines and tions Loop Road (Spur Loop). It moves northward along Spur Loop/ Loop Road onto Bottom Mango (Regent Road). From Bottom Mango it follows Spur Road north westward onto Scan Drive Junction. It then turns eastward along Scan Drive and joins Old Railway Line (Wilberforce). It continues northward along Old Railway Line onto the intersection of Railway Line, New Signal Hill Road and Main Motor Road. From here it joins New Signal Hill Road (Main Motor Road) and continues onto Wood Land Estate. It deviates from New Signal Hill Road and follows Wood Land Estate southward onto Old Railway Line. It moves along Old Railway Line southward onto Ben Kanu's Drive. It runs along Ben Kanu's Drive on to Dr Bayoh's House (part of Constituency). From Dr Bayoh's House it follows southward along the short footpath leading to Nelson Lane. It joins Nelson Lane, follows it southeastward onto 'White Tik and bends eastward by Off Road right onto Kposowa Memorial Primary School. It then moves southward along Off Road to meet Wilberforce Road, it continues along Wilberforce Road eastward onto Old Railway Line and crosses the bridge over Congo Water following Old Railway Line to join Adesanya Street. It then follows Adesanya Street onto Morgan Lane. It then follows Morgan Lane onto Bass Street. It moves along Bass Street onto the junction of Ogoo Lane I. It runs along Ogoo Lane I onto Willoughby Lane. It continues along Willoughby Lane southward (at the back of Special Court) onto Jomo Kenyatta Road. It moves along Jomo Kenyatta Road eastward onto the junction of Hanneson Street where it originally commences.

Western Urban Constituency 16 *This Constituency comprises of Murray Town, Cockle Bay, Collegiate, Pipe Line" Wilkinson Road, Aberdeen and Cockle Bay, Aberdeen Sections.*

(NEC Const. 111) The constituency boundary begins at the Congo Cross Round About; follows the Main Motor Road (New Signal Hill Road) in a westerly direction, turn south onto where Old Signal Hill Road joins Old Railway Line. It then continues with Scan Drive onto Spur Road. Take Spur Road southward onto Freetown Road, Lumley. It then joins the Freetown Road onto the Round About by the Filling Station. From here the boundary joins and moves along Beach Road onto the Golf Course and joins the Coast via the Lumley Beach Road. It then follows northward along the beach onto Cape Serra Hotel Area; then in an easterly direction along the coast onto Pirate Bay; then southward along the Aberdeen Creek. It continues northward again along the Mangroves back of Thompson Bay and turns southeastward after Cockle Bay to meet Banana Water (boundary between West 2 and West 3). Then follows the Banana Water onto Congo Cross Round about where it terminates.

Western Urban Constituency 17) *This Constituency comprises of Lumley, Malama/ Kamayama and Juba/Kaningo Sections:*

(NEC Const. 112) The boundary starts on the beach (Lumley) just back of the Golf Course, it follows Beach Road southeastward onto the Lumley Filling Station/ Round about. It then continues along Freetown Road northward, crosses Wilkinson Road Junction and continues along Spur Road northward onto the sharp bend around the British High Commissioner's Residence/

by the Electricity Sub Station where it then moves eastward along the same Spur Road until it reaches Loop Road (Spur Loop). It follows Spur Loop onto the Guma Valley Water Pipes (between Hill Station and Malama). It follows along these pipes southeastward, and continues with it eastward along the hills in the Peninsular, serving as the Mountain Rural District (Constituency 4101) boundary. It then deviates from the pipes and follows through the hills southward to meet the boundary between York Rural and West III (the ridge). The boundary then follows along this Ridge Westward onto the Mangrove Swamp serving as boundary between Gbendembu in the York Rural and Juba. It follows this swamp/Mangrove onto the coastline. It runs along the Coastline northward onto the starting point at the back of the Golf Course.

MADE this *14th day of March 2007*.

CHRISTIANA A. M. THORPE,
Chief Electoral Commissioner.
