SIXTH PARLIAMENT

**4. Mr. Speaker's Announcement:**

The Rt. Hon. Speaker, **Dr. Abass Chernor Bundu**, delivered a statement on what transpired the previous day. He stated as quoted **"What we saw in this Chamber yesterday should serve as a lesson to all of us. I say this because, it vividly demonstrates that democracy is truly a system of governance that is intricate, delicate and difficult to manage but we should neither be discouraged not despair. We have a duty to our nation to make democracy work for us, the same way it has worked for many other nations around the world. As I have said, it is a creature that is very difficult to manage yet it is the most enduring and most resilient system of governance known to man. Personally I hold the very strong view that it can be managed to work for our nation too, difficult though it might be, as long as we set our collective minds to ensure that it works. This statement that I have made goes mostly for the new members. For the old members (particularly those who graduated from the Fifth Parliament) I there say we have been through worst times and already have gained enormous experience, one that none of us can afford to forget. Nonetheless, I remain confident that we shall all succeed and our nation shall equally triumph in practice and manifestation of all aspects of democracy."**

**6. Bill: The Appropriation Act, 2024 by The Minister of Finance.**

**"Being an Act to Authorize expenditure from the Consolidated Fund for the Services of Sierra Leone for the Year 2024 and for other related matters."**

**Second Reading:**
