complimentary messages from delegates who attended the conference for the hospitality they received and that they were satisfied with the outcome. He reported to the House that there were only two casualties; a South African and a Nigerian who fell sick and were admitted at the Choithrams Memorial Hospital for a few days but later recovered sufficiently before their departure to their respective countries.

Mr. Speaker also notified the House about his intention to pursue in line with the Standing Orders, the punishment of **Hon. Lahai Marah of Constituency 042, Falaba District** for his actions in the well of Parliament during the debate of the Presidential Address.

Observation by the Leader of Government Business

The Leader of Government Business, **Hon. Mathew S. Nyuma of Constituency 019** rose and responded to some of the accusations and aspersion on Hon. Members over a bill that was not yet before the House. "Hon. Members had been publicly bashed" for the said bill he said. He said that Hon. Members were entitled to fix their numeration and wages as enshrined in Sections 74 (4) of the 1991 Constitution of Sierra Leone, Act No. 6 of 1991. He quoted "**Members of Parliament shall be entitled to such salaries, allowances, gratuities, pensions and such other benefits as may be prescribed by Parliament**". He also quoted Standing Orders 61 which reads, "**if it appears to Mr. Speaker from the notice of the terms proposed to be embodied in a bill that the proposals are intended to affect or benefit some particular person, association or corporate body, then:**

(a) Before allowing such a bill to be read for the first time Mr. Speaker shall satisfy himself that due notice has been given by publication of the bill in an issue of the Gazette and by insertion in two subsequent weekly issues of the Gazette of a Notice of the Bill having been so published and of the issues of the Gazette in which it was published. Mr. Speaker shall also satisfy himself that additional notice of the Bill has been given by advertising a statement of its general nature and objects in the gazette and in at least one newspaper circulating in Sierra Leone one month at least before application is made to the House for leave to introduce the Bill."

The Acting Leader of Opposition, **Hon Ibrahim Ben Kargbo of Constituency 034, Bombali District** agreed with the submission made by the Leader of Government Business. He said that their position was clear and that it was their constitutional right to fix their entitlements which they would do when the time is right following the due process, and that they would not apologize. He also mentioned that Hon. Members should also consider the welfare of their people.

Hon. Dr. Kandeh K. Yumkella of Constituency 062, Kambia District also supported the Leader of Government Business. He said Parliamentarians should be incentivized accordingly so as to attract the right caliber of people. He further said that controversies were sometimes good in leadership, and that it would be important for the harmonization of wages in the country.

Hon. Rebecca Yei Kamara of Constituency 029, Kono District joined colleague Hon. Members on the issue raised by the Leader of Government Business. She said that their roles as Hon. Members are most times misunderstood by their constituents. They are compelled by their constituents to undertake

projects which sometimes are very costly and leave them heavily in debts. She therefore welcomed any such Bill that would enhance their welfare.

Hon. Segepoh Solomon Thomas of Constituency 089, Bonthe District fully adopted the statement by the Leader of Government Business. He also emphasized the fact that their role as Hon. Members are misunderstood and even when they try to explain to their constituents, they pay little or no interest which then threatens their seat in Parliament. He said matters related to Members of Parliament should be subjected to a national conversation as the state of Members of Parliament was poor.

Hon. Hassan A. Sesay of Constituency 050, Tonkolili District complained about the disrespectful reference made to them as Hon. Members by certain individuals on public platform. He said that they were Hon. Members and should not be referred to as "so called".

Mr. Speaker's Response:

The Rt. Hon. Speaker, **Dr. Abass Chernor Bundu** said he believed that the views expressed by some members of the public were not the general view but a view from some minority groups. He said Sierra Leone was not the poorest of the poor and neighboring countries like Kenya, Ghana, and Liberia have all fully utilized their constitutional provision given to them while Sierra Leone was very far from implementing its own. He said that Parliament was a transparent House and that when it was time, the public would be fully aware of what would be contained in the Welfare Bill.
